

Proclamation

WHEREAS, September 22, 2018, marks the 26TH Annual Project "Heat's ON" Day; and,

WHEREAS, for the 26th year, Project "Heat's ON" will ensure that low income homeowners who are seniors and/or adults with disabilities have a safe furnace in their home this heating season; and,

WHEREAS, volunteers from Plumbers & Steamfitters Local 400 will inspect and clean the heating systems of senior citizens, people with disabilities and income-qualified homeowners; and,

WHEREAS, with heating and electric costs on the rise, Project "Heat's ON" is even more valuable this year; and,

WHEREAS, furnaces in many homes will be inspected, cleaned and repaired when necessary, and,

WHEREAS, this worthy cause has not only kept people warm during the long Wisconsin winters, but has saved many lives throughout the years; and,

WHEREAS, without the donation of countless hours and generous supplies of contributing businesses and fire departments involved with Project "Heat's ON," many elderly and income-qualified families would not have their homes inspected each year.

NOW, THEREFORE, BE IT RESOLVED, that I, Anthony J. Penterman, Mayor of the City of Kaukauna, do hereby proclaim Saturday, September 22, 2018, to be "**Heat's ON**" Day, and hereby celebrate the many volunteers involved with Project "Heat's ON" and what they do for people in need. I also encourage every household to have their furnaces checked as a safety precaution each year.

Given under my hand and Seal of Office of the Mayor on this 22rd day of September, 2018.

CITY OF KAUKAUNA

Anthony J. Penterman, Mayor
