WHAT IS KATODA?

The Kaukauna Alcohol, Tobacco and Other Drug Abuse Prevention Board is part of Kaukauna City Government. Kaukauna municipal code charges KATODA with educating the public regarding the problems of alcohol, tobacco, and other drug misuse and making recommendations to the council in cases where council action is required on matters pertaining to the prevention of alcohol, tobacco, and other drug abuse.

MISSION

KATODA's mission is to promote and coordinate alcohol, tobacco and other drug misuse prevention efforts in the community. Regular KATODA Prevention Board meetings are held at 6:00 pm on the third Wednesday of the month at Kaukauna City Hall. The public is welcome to attend.

Prevention, according to the Substance Abuse and Mental Health Services Administration, helps people develop the knowledge, attitudes, and skills they need to make good choices or change harmful behaviors.
