

# 15' x 15' REQUESTED EASEMENT LOCATION & DETAILS

TDS Metrocom will be installing a cabinet in a 15'x15' easement within Thelen Park. The cabinet will be a 5'x5'x5' almond-colored cabinet (see side picture for an example)

This cabinet is the center hub (node) of the TDS fiber that will increase internet speeds throughout the City of Kaukauna south of the Fox River shoreline and southeastern Kaukauna(County Rd CE & Haas Rd area).

TDS has also provided funds to the City for landscaping to help buffer the cabinet from the park and residences. Landscaping will take place in Fall 2021. Please contact City of Kaukauna Engineering Department with any questions or concerns with the work.
