

**RESOLUTION 2022-5332**

Designating the month of May 2022, as **No Mow May**

**WHEREAS**, the City of Kaukauna is participating in No Mow May to educate the community about pollinator-friendly habitats on public and private land, to galvanize communities to adopt sustainable pollinator-friendly land management practices, and;

**WHEREAS**, the City of Kaukauna is in a unique position, to significantly increase pollinator-friendly habitat by encouraging pollinator-friendly lawn-care practices and by incentivizing its citizens to take direct and meaningful action on their own properties, and

**WHEREAS**, ideal pollinator-friendly habitat is comprised of mostly native wildflowers, grasses, vines, shrubs, and trees blooming in succession throughout the growing season, is free or nearly free of pesticides, is comprised of undisturbed spaces including leaf and brush piles, un-mown fields or field margins, fallen trees and other dead wood for nesting and overwintering; and provides connectivity between habitat areas to support pollinator movement and resilience; and

**WHEREAS**, the formative period for establishment of pollinator and other insect species, and the many songbirds and other urban wildlife species which depend upon them, occurs in late spring and early summer when they emerge from dormancy and require flowering plants as crucial foraging habitat; and these opportunities are dramatically reduced with early spring leaf-litter removal and grass-mowing; now, therefore,

**BE IT RESOLVED**, that City of Kaukauna along with their partnering organizations, jointly recognize **No Mow May** to actively promote and educate the community about the critical period of pollinator emergence, generation of crucial pollinator-supporting habitat and early spring foraging opportunities, and;

**BE IT FURTHER RESOLVED**, that for the duration of the month of May, the City of Kaukauna shall suspend the enforcement of Chapter 10.03(6) Noxious Weeds voluntarily delay homeowner lawn-care practices until June, allowing pollinator species to emerge and early flowering grasses and forbes to establish, which may result in ground-cover exceeding established ordinance height restrictions, and; that during the month of May, the City of Kaukauna shall not issue citations for excessive weed growth to properties participating in No-Mow May.

Introduced and adopted this 19th day of April, 2022.

APPROVED:   
Anthony J. Penterman, Mayor

ATTEST:   
Sally A. Kenney, Clerk
