Adopted Budget

Fiscal year January 1, 2023 to December 31, 2023

Anthony J. Penterman

Mayor

2023 BUDGETANTHONY J. PENTERMAN Mayor

CITY COUNCIL

1st District – Marty DeCoster / Jennie Eggleston

2nd District – Kelli Antoine / John Moore

3rd District – Brian Schell / Mary Jo Kilgas

4th District – Pennie Thiele / Michael Coenen

APPOINTED DEPARTMENT MANAGERS

Director of Public Works – John Neumeier Library Director – Ashley Thiem-Menning

Finance Director/Treasurer – William Van Rossum Naturalist – Debra Nowak

Fire Chief – Jacob Carrel Planning/Comm Development – Joe Stephenson

Human Resources – Shanon Swaney Police Chief – Jamie Graff

City Clerk – Sally Kenney Rec & Comm Enrichment Director – Terri Vosters

ELECTED OFFICERS

City Attorney – Kevin Davidson

Municipal Justice - Carley Windorff

President of the Council - John Moore

November 02, 2022

Dear President Moore and Members of the Common Council,

The 2023 Budget is the result of an open and collaborative process between City Council and Administration. We strive to provide strategic city services and community partnerships that improve resident quality of life by reducing crime, increasing affordable housing opportunities, and facilitating community investment. These efforts rely on strategic partnerships and the ability to work together toward common goals.

Across all departments and functions, we have an obligation to our residents and businesses to continue to provide excellent services, and as such, the 2023 Budget includes the following high priority items that allow us to enhance and improve our service delivery:

- 1. <u>Property Tax Rate</u> The 2023 Budget will increase the City's assessed tax rate by \$0.84 per \$1,000 of assessed value which is a 10.17% increase.
- 2. <u>Property Tax Levy</u> The City's tax levy increased \$1,452,090 or 14.05%. Under state law, the levy is allowed to increase 14.24%, plus increased debt service requirements. This levy increase is less than the maximum permitted under state law.
- 3. <u>Budgeted Expenditures</u> Budgeted General Fund expenditures for 2023 are \$17,344,388 an increase of 10.1%. This allows the City to continually qualify for the State Expenditure Restraint Program Aid. The City has qualified every year since the inception of the program.
- General Fund Balance Our General Fund Balance is projected to be \$4,981,838 on December 31, 2022. This fund balance exceeds the Council objective of \$2,601,658 at year end, which allows the City to continue to receive excellent bond rating resulting in lower interest rates when issuing future debt.
- 5. <u>Level of Service and Capital Improvements</u> The 2023 Capital Improvement Program will see investments in our community to provide long lasting, positive effects and spur urban growth.

Fundraising will begin later this month for improvements to the Kaukauna Municipal Pool. Amenities will include, a splash pad, a second big slide, an aqua climbing wall, and an 18-hole mini golf course. These much-needed upgrades will make our pool a destination for the whole family. Construction is planned for fall of 2023.

The Capital Improvement Plan continues to invest in our parks. We are looking to add a pavilion at Jonen Park, an 8-court pickle ball complex in the underutilized open space adjacent to the archery range, and the 2nd and 3rd street alley plaza reconstruction will help enhance and attract people to our downtown. In addition, the

City is working with the KHS Civic Engagement Class on a multi-use stage/pavilion at Hydro Park. I am committed to seeing our City parks improved and maintained to provide recreational opportunities and vital green space for our residents.

6. <u>Economic Development</u> – The \$63 million Uptown Site on the City's north side will house two 4-story 90-unit market-rate apartments. These apartments will be in the top 1% of multi-family units in the nation for sustainability. Construction on the apartment complex is planned for late 2022.

The housing market in our community continues to grow strong, as the city has approved several new subdivisions. Staff is working with a developer on a south side 90-acre annexation that could net an additional 200 residential single-family houses. We look forward to more development projects in Commerce Crossing in 2023 with the new construction of a 4-story indoor climate-controlled U-Haul facility, a 3-story 180-unit market rate apartment complex, and a 64-room hotel (offer to purchase already signed).

7. Statements on Budget – As a city, we have led with resilience, steadfast in our commitment to fiscal responsibility and transparency to our citizens. I am exceedingly proud of our leadership team that created a budget that meets the priorities of our Council while being mindful of fiscal responsibility and the trust given us by our citizens. This budget includes a detective in our police department, a fire training position in the fire department, and our code enforcement officer is budgeted full time to help aggressively pursue nuisance and non-compliant properties within the City. This budget also retains the Grignon Mansion Executive Director position. That position was originally funded for three years with partial grants at which time it was to be fully funded by fundraising. However, with the pandemic, those fundraising efforts were hampered. With the recent Mansion structural repairs, I am committed to fund this position for 5 years in hopes by then it will sustain itself through fundraising. My continuing focus is to foresee the longterm needs of our City, making decisions that will benefit our community's future. The 2023 budget reflects this unwavering pledge to provide the highest caliber services to each resident and business.

Looking forward, we continue our commitment to balance fiscal responsibility while meeting the City Council priorities of public safety, essential services, sound infrastructure, and enriching community programs.

Sincerely,

Anthony J. Penterman

Mayor

2023 BUDGETEARLY HISTORY OF KAUKAUNA

Located along the Fox River in southeastern Outagamie County, the area immediately adjacent to the falls at Kaukauna was the site of considerable indigenous settlement and activity. A large area on both the southeast and northwest sides of the Fox River at Kaukauna is recorded in the Archaeological Sites Inventory as the vicinity of a large village site occupied by the Menominee tribe and other groups. Likewise, effigy burial mounds and numerous archaeological sites are spread out along the river valley.

The rapids at Kaukauna necessitated portaging and became a natural gathering place for trade along the Fox River. As part of the Fox River's 170-feet drop in elevation from Neenah and Menasha to Green Bay, 138 feet of the drop occurred in the nine miles of river between Appleton and Kaukauna. The area had many names, including Kakalin, Cacolin, Cau Caulin, Kackaloo, Grand Kaukaulin, the Grande Coquiller Rapides, and Kaukauna, all derived from an approximation of the Menominee word meaning "the gathering place of the pickerel."

Fur trappers Charles de Langlade and Pierre Grignon established a semi-permanent trading post in the Kaukauna vicinity as early as the 1760s to engage with the local Menominee population, who occupied a village of an estimated 1,500 people on the south side of Fox River. In 1790, Dominique Ducharme, son of French fur trader Jean Ducharme, built a substantial log house at "Cacalin" and started trading with the local tribes. The land Dominique acquired in 1793 is the first known recorded land deed in the state of Wisconsin.

The third French settler, Augustin Grignon, was born in La Baye, presently Green Bay, in 1780 into a family of successful French-Indian, or Métis, trappers, traders, and leaders, specifically among the French settlers and Native American tribes. He moved from Green Bay to Kaukauna in 1813, purchasing much of the Ducharme property, and married his wife, Nancy McCrea, around 1800. Nancy was the daughter of a Scottish fur trader and a Menominee woman from Green Bay. The Grignon's can be identified as Métis, and these important ties lent to their success in the region. From the late eighteenth century through the 1830s, Métis people, a cultural and ethnic mix of indigenous and French people, were a dominant cultural and economic force in the Great Lakes region.

The population in Kaukauna increased with the arrival of the Stockbridge tribe in 1822, an east coast Mohican tribe who fought with the United States during the War of 1812 and the Revolutionary War. The Stockbridge moved to northeastern Wisconsin following land cession treaties with the Menominee and Ho-Chunk.

Known today as the Stockbridge Munsee Band of Mohican Indians, prominent tribe member Electa Quinney became the first female teacher in what would become the state of Wisconsin. The school, located in Kaukauna, was free and open to any denomination of religion. The addition of the Stockbridge to the area also brought notable Revolutionary War Veterans Jacob Konkapot Jr. and Captain Hendrick Aupaumut to Kaukauna. By 1830, the Stockbridge-Munsee had largely adopted Anglo-American customs, lived in log houses, and raised corn, wheat, and livestock on large farms. However, a series of American treaties beginning in 1831 resulted in the departure of the Stockbridge from the Kaukauna area.

2023 BUDGETEARLY HISTORY OF KAUKAUNA

Charles A. Grignon, Augustin's eldest son, married Mary Elizabeth Meade in 1837 and soon constructed a large house, known as the Grignon Mansion or "The Mansion in the Woods," closer to the river on the property of his father. Charles had a close relationship with local tribes, particularly the Menominee, given his ancestry, familiarity with the language, and business connections. He served as an interpreter on many treaties and business decisions, including the 1836 Treaty of the Cedars, in which the Menominee tribe ceded four million acres to the U.S. government. The treaty opened the area around Kaukauna and the lower Fox River Valley to general settlement through the United States territorial land office, causing the area to change swiftly. An influx of Yankee settlers altered the economy from fur trading and the Fox River waterway to farming, logging, and permanent communities. The military road along the south shore of the Fox River and the first dam north along the river at De Pere were completed in 1837.

George W. Lawe settled in Kaukauna in 1839, opened a trading post, and established a farm. In 1842, Lawe was appointed Justice of the Peace by territorial Governor Doty, an office he held for almost fifty years. He directed the first platting of the town in 1850 and built the first bridge across the Fox River at Kaukauna in 1851, which led to the development of a small community.

The falls at Kaukauna eventually presented an obstacle for transportation that led to the construction of a series of canals and locks in 1856. The infrastructure allowed larger steamboats to replace the flat-bottomed Durham boats that dominated river traffic in the 1830s and 1840s. The construction of the system also provided a boon to the local economy.

The Chicago and Northwestern Railroad reached Kaukauna in 1862, and industry thrived. By 1870, Kaukauna boasted two large flour mills, two large factories making staves for flour barrels, the Diedrich sawmill, and the Reuter Brothers spoke factory, which did business in hardwood logs and railroad ties. The Chicago and Northwestern Railroad line north of the river joined the Milwaukee Lakeshore and Western Railroad in 1872.

In 1872, Colonel Henry A. Frambach and his brother John Stoveken opened the first paper mill in the City of Kaukauna, the Eagle Paper and Flouring Mill, on the site of Stoveken and Henry Hewitt's 1867 flour mill that was destroyed by a fire. Soon after the mill's start, Frambach became the second producer of wood pulp in the state and the first to manufacture wood pulp paper.

The second railroad boom of the 1880s brought Irish and German workers to the area. These workers created the south side Village of Ledyard. In 1881, Milwaukee Lakeshore and Western Railroad relocated its district office from Manitowoc to Kaukauna's south side. Company housing for the railroad workers developed in the south-central area of Kaukauna.

The American Pulp Company was established in 1883, becoming the Thilmany Pulp and Paper Company in 1889. The company was known for its diversified and innovative paper products, including the first tissue paper manufactured in Wisconsin, produced in 1885.

2023 BUDGET EARLY HISTORY OF KAUKAUNA

In 1885, the Village of Ledyard joined with the north side to form the City of Kaukauna. The 1880's railroad developments coincided with the creation of new waterpower canals to supply Kaukauna industry. The construction of five municipal hydroelectric generating plants gave Kaukauna its nickname, "The Electric City."

Today, the City of Kaukauna is a growing and prosperous community of just over 16,000 residents. Rich in natural resources and beautiful landscapes, the riverfront city of Kaukauna combines traditional Midwestern values with a history of progressive moves – from free education to clean energy – that protect and enhance the long-term health of the community for generations to come.

2023 BUDGETHOW TO READ THE BUDGET

The budget document represents the financial support for the operation of the City of Kaukauna and goals of the City Council and management for the 2023 fiscal year. The budget document is organized in twelve categories. Each category and a description of its contents follow:

<u>MAYOR'S BUDGET MESSAGE</u> - The opening category of the budget provides the City Council and the public with a general summary of the most important aspects of the budget, changes from the current and previous fiscal years, and recommendations regarding the financial policy for the coming fiscal year.

BACKGROUND INFORMATION AND OVERVIEW - This category of the budget provides the reader of the budget document with an understanding of the City of Kaukauna.

A brief history of the City is included to help the reader of the budget document develop an understanding of how the City was founded and why some of the landmarks, structures and industries present in the City today exist.

The mission statement of the City is an overall summary of the goals the Mayor, City Council and other personnel will strive to complete during the upcoming fiscal year. Specific departmental goals are included in the detailed fund schedules of the budget document to assist the reader in evaluating the departmental requests for financial resources to accomplish their respective mission and goals.

The underlying policies are used by the Mayor, City Council and other personnel in preparing and adopting the budget. This listing of policies allows the reader of the budget document to get a feel for the objectives used in evaluating and analyzing the budget to ensure that the budget meets the goals of the City before it is adopted.

The financial summary highlights the major revenues sources and expenditures for the upcoming fiscal year and any changes in financial policy from current and previous fiscal years. This summary also provides a projection of the financial future of the City.

The organization chart of the City is included to depict for the reader of the budget document the organizational structure and lines of authority between the Citizens of the City of Kaukauna, the City Council, the Mayor and departmental personnel.

<u>SCHEDULES AND SUMMARIES</u> - This section of the budget document includes numerous analyses that comparatively evaluate the assessed valuation, equalized valuation, related tax rates, revenues and expenditures for all funds. In many instances the summaries include several years of historical data for comparative purposes. These schedules and the information therein lay the groundwork for the departmental budgets.

REVENUE AND EXPENSE - This section of the budget document contains the summaries of revenues and expenditures for all budgeted funds of the City.

REVENUE PROJECTIONS - This section of the budget document provides a summary of revenue sources from all funds. The major revenue sources are further analyzed through the use of a five-year comparison and commentary on each of these major sources.

2023 BUDGETHOW TO READ THE BUDGET

LONG-TERM DEBT - This section provides various analyses of debt both from a historical perspective and on a go-forward basis. The information contained within this section provides the basis for future decisions.

<u>CAPITAL PROJECTS</u> - This section summarizes projected fund balance in capital projects, current and budgeted revenues and expenses, and a five-year plan for future projects.

<u>DETAILED FUND SCHEDULES</u> - The detailed fund schedules are organized on departmental basis. For general fund departments, each schedule details expenditures for the prior fiscal year, current year budgeted expenditures, current year six-month actual expenditures, current year estimated expenditures and the upcoming fiscal years' budgeted expenditures.

STORM WATER UTILITY – This is an enterprise fund that was created in July of 2009. The schedules in this section summarize the costs that are necessary to meet State of Wisconsin storm water quality discharge standards.

SANITARY SEWER UTILITY – This is an enterprise fund that was created beginning January 1, 2012 to account for sanitary sewerage treatment system costs. The schedules in this section summarize the activities involved in operating a sanitary sewer collection system and the cost of sewerage treatment by the Heart of the Valley Metropolitan Sewerage District.

<u>BUDGET ADOPTION RESOLUTION</u> - This section includes a copy of the resolution designating appropriations, levying a tax, and setting the rate for the budget of the City.

<u>APPENDICES</u> - The appendix includes supplemental information that may be useful in reading the budget document.

Appendix A - The chart of accounts describes the types of expenditures to be classified within the specific object codes used by departments in preparing their budget.

Appendix B - The demographic profile provides statistical and supplemental data about the City of Kaukauna and the population it serves.

Appendix C - The glossary includes a translation of terms commonly used in a budget document and the related resolutions. The glossary also includes a description of the funds established by the City.

2023 BUDGETMISSION AND VALUE STATEMENT OF THE CITY

The City Council and City staff are committed to providing high level services that enhance the quality of life for its citizens and create a safe and attractive environment for visitors, businesses and residents through efficient and effective operations.

The City Council and City staff are proud of our City's history and committed to the stewardship of the City's future. Cooperation among City Council, City staff, members of the community and other governmental entities enables us to combine diverse backgrounds, skills, and styles to achieve common goals. Our success is achieved through the effort of our staff with an emphasis on service, respect, fairness and integrity to meet community needs.

BUDGET POLICIES

1. Maintain and/or improve the quality of basic public services and physical facilities necessary to encourage citizens and businesses to remain and/or invest in the City.

The 2023 operating budget does not anticipate any reduction in services. The 2023 capital improvement budget includes approximately \$4,690,000 for street and sidewalk improvements, \$2,955,000 for utility improvements, \$433,000 for municipal equipment, \$610,000 for park improvements and \$6,000,000 for Pool Reconstruction.

2. Continually evaluate existing municipal services to determine if these services are effective and conducted in the most efficient manner.

The 2023 budget provides the necessary funds to continue to contract for Ambulance Billing services. It also provides funds to streamline the Time and Attendance process making in more efficient for payroll processing. All other municipal services remain unchanged from the prior year.

3. Pay the full cost of current services with current revenues and avoid borrowing for operating expenses.

The 2023 budget does not include borrowing for any operational expenses; however, several pieces of equipment with useful lives of ten years or more are planned for in the capital improvement budget.

4. Maintain a property tax and user charge structure that provides an attractive environment for citizens, business and industry within Northeastern Wisconsin.

The City, through its municipally owned electric utility, has the lowest electrical rates in northeastern Wisconsin.

The sanitary sewer user rate was increased from \$6.75 to \$7.00 per hundred cubic feet effective January 1, 2022. This rate is budgeted to increase to \$8.00 effective January 1, 2023 and increase to \$8.75 effective July 1, 2023 making a total increase of \$1.75 for budget year 2023.

The storm sewer utility rate was increased from \$90 per ERU per year to \$96 per ERU per year effective January 1, 2022. This rate is budgeted to increase to \$108 per ERU per year effective January 1, 2023 and increase to \$117 per ERU per year effective July 1, 2023 for the 2023 budget.

The assessed tax rate for the City is projected to increase by \$1.22 or 14.85%. The assessed tax rate for the City and the overlapping municipal tax jurisdictions is projected to increase slightly at 4.43%.

2023 BUDGET BUDGET POLICIES

5. Provide an adequate level of reserve funds to provide for unforeseen needs, fiscal emergencies, establish adequate security for bondholders and mitigate the need for short-term financing.

In November of 2010, the City Council adopted a revised fund balance policy that requires the general fund balance to be at least 15% of the operating budget. The total projected fund balance of \$4,981,838 meets the City Council directive. This projected balance is considerably more than the City Council directive. Fifteen percent (15%) of the 2023 budget of \$16,844,389 equals \$2,526,658. Cash reserves more than City Council directive will be used to address future economic growth opportunities in the community. The fund balances for the past five years have exceeded the targeted balance. This has mitigated the City's need to issue short-term revenue anticipation notes. It also assists in the lower bond interest rates as bond rating companies look for 30% of operating budget in reserves.

6. Develop and maintain a fiscal planning and budgeting system which anticipates underlying economic change and provides for planned, orderly year-to-year changes to property tax and service levels. Such a system would also respond to unanticipated events in order to avoid fiscal crisis or severe municipal service disruptions.

Five year planning has been considered for the general operating fund. There is planning in place for capital projects and debt service planning. Related summary schedules are in the debt service and capital projects sections.

7. Maintain financial accounting and budgetary practices that provide for full and open disclosure of the City's financial affairs.

Management has developed the 2023 budget document in conformance with national Government Finance Officers Association (GFOA) presentation guidelines. Conformance with these standards provides reasonable disclosure of financial plans of the City.

8. Long-term debt will be used in moderation so as not to impose an excessive burden on future Kaukauna taxpayers.

The City's general obligation debt is 68.9% of the allowable legal limit as of December 31, 2022. However, approximately 20.3% of the allowable legal limit is the result of debt incurred in Tax Incremental District Nos. 4, 5, 6, 8, 9, 10, 11 and the environmental remediation TIF district. The tax Incremental debt with the exception of Tax Incremental District No. 6, Tax Incremental District No. 8, and a portion of the others is expected to be repaid with tax increments and as such will not be placed on the general tax levy.

2023 BUDGET FINANCIAL PROGRAM SUMMARY

As required by law, the proposed budget for 2023 is balanced and provides for the needs and requirements of the City. The budget for 2023 is the result of sound financial management and affords a reasonable measure of protection for future operations of our City. The budget is adopted at the departmental level as identified in schedules that are attached to the budget adoption resolution. Therefore, resolutions authorizing budgetary adjustments are only required for budgetary adjustments between departments.

ACCOUNTING BASIS

The City of Kaukauna uses the modified accrual basis of accounting. Under this accounting method, revenues are recognized in the accounting period in which they become available and measurable. Available means collectible within the current accounting period or soon enough thereafter to be used to pay liabilities of the current accounting period. Expenditures are recognized in the accounting period in which the fund liability is incurred, if measurable, except for unearned interest on long-term debt, which is recognized when due.

BUDGETARY BASIS

All the funds in this budget document are prepared on the modified accrual basis of accounting, except for interest expenditures in the debt service where unearned interest is budgeted when due. All of the following funds, which are included in this budget document, are funded in part by the property tax levy except the Capital Projects and Redevelopment Funds.

General Fund - This fund is the primary operating fund for the City of Kaukauna. It accounts for most of the services provided to city residents such as police, fire, sanitation, street maintenance, building inspection, planning, zoning, engineering, recreation, public library, and sewerage system. In the 2023 budget, 1000 Islands Environmental Center and Grignon Mansion were added to this fund and removed from the Special Revenue Funds.

General Debt Service Fund - This debt service fund accounts for all the debt service requirements of the City including Tax Incremental District Nos. 4, 5, 6, 8, 9, 10, 11 and the Environmental Remediation TIF District No. 1. The primary source of revenue is the property tax levy and repayment of special assessment projects that were constructed with general obligation bond proceeds.

Capital Project Fund - These schedules reflect the activity of all the capital project funds with the exception of the Industrial Park Development Fund and the Park Development Fund. The primary source of revenue for this fund is proceeds from the issuance of long-term debt.

Redevelopment Fund - The information provided assists the user in determining the cumulative scope of redevelopment projects that may be possible during the proposed budget year. This is a revolving loan fund whose initial source of funds was block grant funds.

Special Assessment / Debt Service Stabilization Fund - This is a special revenue fund that receives its revenue from the repayment of special assessments such as street and sidewalk improvements. The City borrows for these assessable improvements. This fund accounts for the repayment of special assessments and transfers monies to the general debt service fund to offset debt service payments that resulted from borrowing for assessable projects.

2023 BUDGET FINANCIAL PROGRAM SUMMARY

Space Needs Fund – This is a specific capital projects fund established to accept levy dollars and borrowed funds for the specific purpose of addressing the space needs of City operations.

Storm Water Utility – This enterprise fund was created in July 2009 to account for the costs associated with complying with State and Federal regulation relative to the quality of storm water that is discharged into local waterways. The revenue for this fund will be derived from an equivalent storm water runoff unit charge that will be placed on the monthly utility bill.

Sanitary Sewer Utility – This is an enterprise fund that was created beginning January 1, 2012 to account for sanitary sewerage treatment system costs. The schedules in this section summarize the activities involved in operating a sanitary sewer collection system and the cost of sewerage treatment by the Heart of the Valley Metropolitan Sewerage District.

FINANCIAL FRAMEWORK

Major Revenue Sources - The importance of sound revenue estimates cannot be overstated. Revenue estimates have been carefully analyzed and in the areas where some fluctuations are typical, a conservative approach has been used. This budget contains three major sources of revenue: property taxes, intergovernmental revenues and sewerage system user fees. The property tax levy, which accounts for approximately 44.9% of General Fund revenue, is budgeted to increase 18.4%. The tax levy increase is primarily the result of increased cost in services provided. The budgeted levy increase complies with current levy limit legislation. This legislation allows the levy to increase by the percent increase in net new construction, 2.09%, for the City of Kaukauna plus any increase in general obligation debt payments. Typically the property tax levy absorbs most of the fluctuations in other funding sources. Intergovernmental revenue, that account for approximately 25.6% of all general fund revenue, is budgeted to increase \$90,871 or 2.15%.

Debt Service Requirements - Since 1993, the total outstanding debt has risen while the long-term debt as a percent of the legal limit has increased to approximately 68.9%. It is the goal of management to maintain long-term debt in maturity terms of ten years or less. The exception to ten year debt was the refinancing debt issued in 2010 for Tax Incremental District No. 5. This debt was issued for sixteen years to take advantage of favorable interest rates and to facilitate repayment. The increase to 89.8% was primarily the result of the City's purchase and development of additional land for a new industrial park, downtown TID investment and the purchase of the former Fox Valley Greyhound Park for redevelopment. Approximately 20.3% of the current outstanding debt is the result of debt incurred in Tax Incremental District Nos. 4, 5, 6, 8, 9, 10, 11 and the Environmental Remediation Tax Incremental District No. 1. The tax incremental debt is expected to be repaid with tax increments and as such will not be placed on the general tax levy except for Tax Incremental District Nos. 4, 5 as well as Environmental Remediation Tax Incremental District No. 1. The tax increment of these districts will only pay for a portion of the debt at this time. Projected debt service requirements for 2023 and the next several years are going to continue to increase steadily and then level off as the City makes a concerted effort to limit the amount of general obligation debt issued.

2023 BUDGET FINANCIAL PROGRAM SUMMARY

Capital Projects Impact - The 2023 Capital Projects Budget will require the issuance of approximately \$8,700,000 of general obligation long-term debt of which \$5,000,000 is for the Municipal Pool Reconstruction. The five-year Capital Improvement Program plan will require future debt issues of approximately \$4,000,000 per year. The analyses in the debt service and capital project sections of this document indicate this is a manageable five-year plan.

Fund Balance - The General Fund balance is projected to be \$4,981,838 as of December 31, 2022. One of the budget policies is to provide adequate levels of reserve funds to mitigate the need for short-term financing to meet operational expenses. The City does not anticipate short-term financing in 2023 since general fund balance exceeds the year-end target of \$2,526,658. Excellent progress has been made in this area since December 31, 1992 when the fund balance in the General Fund was \$374,864 and the City needed to borrow short-term funds for operations.

General Fund Revenues - The general fund revenue budget is projected to increase \$1,092,709 or 6.9%. The property tax component increased \$1,174,839 or 18.4%. Typically, the property tax component will generally increase faster than total revenues if one or more of the following situations exist; user fees are not increased, new user fees are not implemented, other revenue sources decrease or remain the same, or there is a significant reduction in interest earned on investments.

In lieu of taxes from the City owned electric and water utilities is based on the current tax rate and the value of utility property in the City. This revenue source is also likely to fluctuate, as the tax rate fluctuates due to changes in State law. In 2023, this tax represents 13.1% of total general fund revenue sources. This tax source is budgeted to stay flat in 2023. The tax rate and book value of the assets in the city limits is what drives this revenue. There are many variables that go into the calculation that makes it difficult to project accurately.

Intergovernmental revenues are expected to increase \$90,871. State shared revenue and expenditure restraint are budgeted to also increase \$42,478 this year. The State highway aids are budgeted to increase \$29,344. This revenue source contains an element of uncertainty since shared revenue is often a topic at the State level when the discussion turns toward tax relief or when the State is experiencing difficult economic times.

General Fund Expenditures - The City has settled labor contracts with the International Association of Fire Fighters AFL-CIO Kaukauna Local 1594 unit for the 2023 budget. Negotiations remain strong with the Kaukauna Professional Police Association as we work towards an agreement for the 2023 budget.

The 2023 general fund expenditure budget of \$16,844,398 increased \$1,092,709 or 6.9%. Even with this increase, the City will continue to qualify for State expenditure restraint program funds. The expenditure restraint program will provide approximately \$316,433 in revenues for 2023.

SUMMARY

The financial future of the City of Kaukauna appears to be very stable. The citizens have shown a willingness to fund the current level of quality services when needed and financial management practices remain frugal. The most important budgetary objective should be to provide the highest possible level of service to our citizens without impairing the City's sound financial condition. To accomplish this objective, existing City programs and services must continually be evaluated to determine if they are meeting the needs of the residents, effectively and conducted in the most efficient manner. This budget continues that commitment.

2023 BUDGET BUDGET PROCESS

The preparation of the budget is a complex process. The process allows for the opportunity to review the accomplishments of the current year and establish new goals for the upcoming year.

The budget document is an annual plan of estimated expenditures and the proposed means of financing them. It is the method by which the City delivers its services and programs to the residents for the fiscal year beginning January 1 through December 31.

Preparation of the budget begins in mid-July when the six-month actual results are prepared and distributed to department heads along with budgetary request forms for the ensuing year.

Using the City-wide and departmental goals and objectives as their guide, department heads are asked to estimate their expenditures for the remainder of the year and submit budget requests and mission statements for the upcoming year. Budget requests are returned to the Finance Department in mid-September. The Finance Department then calculates all the related benefits and returns a completed copy of departmental budget requests to the department heads by late September.

In late September budget conferences are held. In attendance at budget conferences are the Mayor, the Finance Director and the department heads. It is during these conferences that any adjustments to departmental requests are discussed and made. This process continues until a balanced budget is achieved.

By mid-October final budget adjustments have been made, and the Mayor's proposed budget is prepared and available for distribution. In early November, a public hearing is held on the Mayor's proposed budget. The Committee of the Whole reviews the Mayor's proposed budget and then recommends to the City Council that the proposed budget be adopted.

In mid-November, the budget is adopted by the City Council. The adopted budget is then printed and distributed. After adoption, the budget becomes a control mechanism by which to measure the resources expended to the meet the approved objectives.

Any budget updates must be adopted in resolution form by the City Council and published in a local newspaper.

The budget timetable for the 2023 budget process appears on the following page.

2023 Budgeted Revenues - All Funds

2023 Budgeted Revenues by Source - All Funds

2023 BUDGETREVENUE COMPARISON BY REVENUE SOURCE

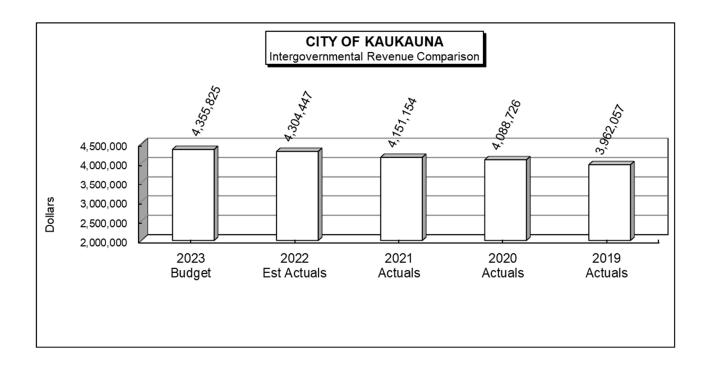

There are three primary sources of tax revenue for the City. Property tax, which includes tax on real estate and personal property, is the largest and most significant revenue source. Property tax represents 74.6% of all budgeted taxes and 44.9% of all general fund revenue sources budgeted. The property tax levy is budgeted to increase \$1,952,091 or 18.9% for 2023. There is also a State program that rewards municipalities for controlling expenditures by providing additional State aids. The City has consistently qualified for this aid.

The second tax revenue source is the payment on lieu of taxes from the City's electric and water utilities. This payment is based on the current tax rate and the value of utility property in the City. As the tax rate fluctuates due to changes in State law related to funding of education, this revenue source is also likely to fluctuate. In 2023, this tax represents 13.1% of all general fund revenue sources. This tax source also funds the Redevelopment Authority lease payment for the City Hall and Police Department building.

The third tax revenue is the County Sales Tax of 0.5%. The budget amount for this tax source is \$205,000 for 2023.

2023 BUDGETREVENUE COMPARISON BY REVENUE SOURCE

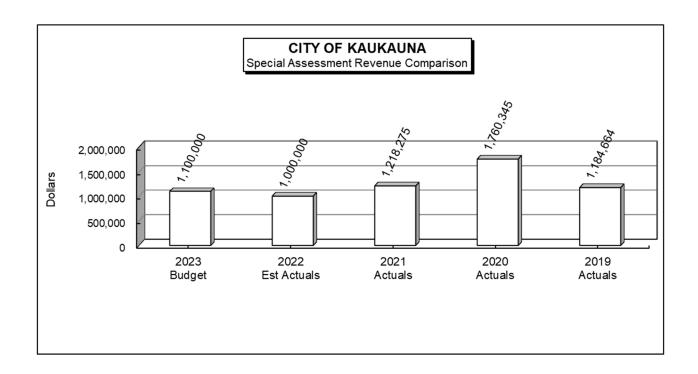

Intergovernmental revenues are comprised of state shared revenue, state fire insurance dues, state law enforcement grants, state highway aids, county aids and local school district subsidy of the City's Environmental Center. There was some volatility with this revenue source back in 2015. This source seems to have stabilize with a consistent aid amount from year to year since 2015. The graph above shows a slight trend upward with this aid.

The largest of the intergovernmental revenues is state shared revenue. This revenue source has per capita, aid able revenue and expenditure restraint components. Shared revenue accounts for 50.2% of all intergovernmental revenues in the general fund and 24.9% of all general fund revenues. State shared revenue is budgeted to remain flat for the 2023 budget. This revenue source is very sensitive to political adjustments by the State Legislature, therefore, property tax is often viewed as the most likely source of additional revenues. Continuation of and changes to this revenue source has been the subject of considerable debate in the State Legislature during the past years.

The next largest source of intergovernmental revenue sources is state highway aids which is budgeted at \$1,272,698 for 2023 and accounts for 7.3% of all general fund revenue sources. This source is expected to increase by \$29,344 or 2.6% when compared to 2022.

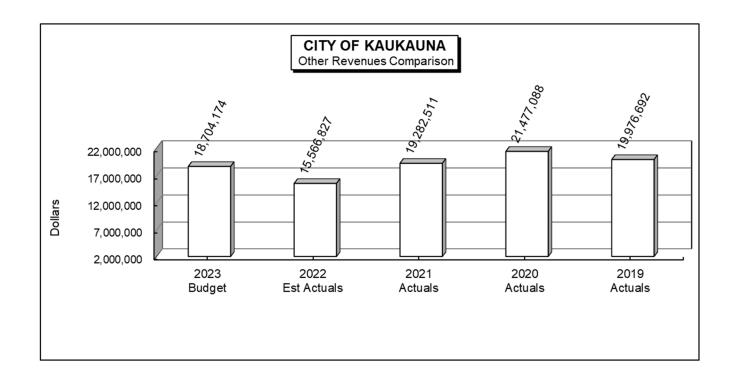

The State's current commitment to reducing taxes and the state of the economy are likely to have some lingering negative effects on state revenues to municipalities in the future. The other intergovernmental revenue sources are relatively small and likely to see modest growth in future years.

2023 BUDGETREVENUE COMPARISON BY REVENUE SOURCE

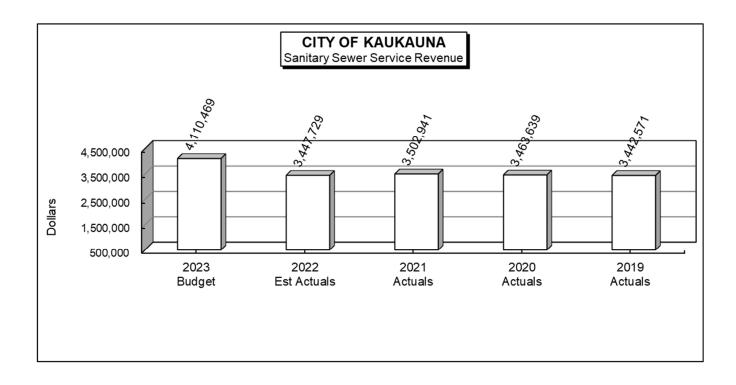

The City of Kaukauna finances special assessment projects such as street improvements, sanitary sewer mains and laterals, water mains and sidewalk replacement primarily by issuing long-term debt. A resolution established in 2015 allows for all special assessments to be repaid within a ten-year period. This revenue stream is used to repay the debt that was used to finance the projects initially. The amount of assessable work that is done on a yearly basis can vary greatly. Beginning in 2013, the City was constructing few assessable projects therefore budgeted revenues are decreasing. Due to the uncertain nature of this revenue source, the City will utilize a decreasing amount of special assessment monies to offset the required tax levy in debt service funds. These monies are accounted for in a special revenue fund referred to as the Special Assessment Fund.

2023 BUDGETREVENUE COMPARISON BY REVENUE SOURCE

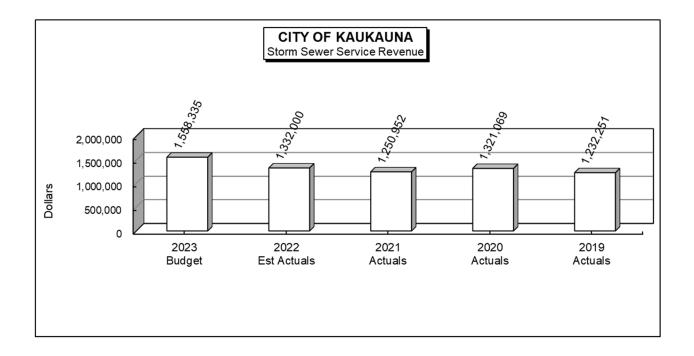

Other revenue sources consist of regulation and compliance revenues, charges for service other than sewer user fees, use of property and money and operating transfers. Some of the smaller components within this revenue source such as building permits, police fines, swimming pool user fees and interest on investments are heavily influenced by external factors. The remaining components of other revenue sources are primarily related to user fees and license fees.

2023 BUDGETREVENUE COMPARISON BY REVENUE SOURCE

The City established a separate Sanitary Sewer Utility beginning January 1, 2012 to account for sanitary sewer system operations. The revenue is established at a level sufficient to recover annual operating costs and to maintain adequate reserves. This revenue source has increased significantly several years ago due to a significant plant expansion at the Heart of the Valley Metropolitan Sewerage District; however, sewerage treatment costs have been relatively stable since 2010. The sewer user volume rate was last changed \$7.00 per 100 cu. Ft. effective January 1, 2022. This rate is budgeted to increase to \$8.00 per 100 cu. Ft. effective January 1, 2023 and increate to \$8.75 per 100 cu. Ft. effective July 1, 2023 making a total increase of \$1.75 in the 2023 Budget.

2023 BUDGETREVENUE COMPARISON BY REVENUE SOURCE

The City established a Storm Sewer Utility beginning in 2009 with the first user rate starting in 2010 to fund and account for the construction and maintenance of mandated storm water quality improvement and retention facilities. The revenue is established at a level sufficient to recover annual operating costs and to maintain adequate reserves. This revenue source has increased significantly in the first three years but has remained relatively stable since 2013. The equivalent residential unit (ERU) rate was most recently changed to \$8.00 per ERU per month beginning January 2022. Since inception, the system has grown as are the expenses to operate the system. The rate is budgeted to increase to \$9.00 per ERU beginning in January 2023 and an increase to \$9.75 in July 2023 making a total increase of \$1.75 in the 2023 Budget. The rate being charged needs to cover the expenses to ensure the fund is sustainable long into the future.

2023 BUDGET

SUMMARY OF LONG-TERM DEBT PRACTICES, POLICIES, AND FUTURE PROJECTIONS

Historical Perspective: The City of Kaukauna has historically used general obligation debt to finance all of its capital improvements until 2013. In 2013 the City started to issue revenue bonds to finance utility projects. The schedule on page 5-3 displays each bond note by the funding source to repay each note. The schedule on page 5-4 indicates that all the current long-term debt will mature within the next 10 years. The exception to this is the utility and lease revenue bonds will mature within 20 years. The City has historically issued long-term debt in maturities of ten years or less for General Obligation issues.

Page 5-5 shows the City's outstanding long-term debt and percent of legal debt limit. It is also considerably less than it was as of December 31, 2012. Long term general obligation debt rose considerably from 2002 to 2012 primarily as a result of the purchase and development of industrial park property, development of a downtown TID, acquisition of Fox Valley Greyhound Park for redevelopment and to meet the infrastructure demands of a growing community. From the concerted efforts to reduce outstanding general obligation debt since 2013 allowed the City to address space needs deficiencies within municipal facilities in 2015-2020. The ability of the City to pay off long-term debt has remained strong over the past five years as shown on Page 5-6 since tax incremental district debt and industrial park related debt is serviced by land sales and tax incremental revenues. This schedule shows that the net Levy needed to pay debt has been on a downward trend for the past several years.

The graph on Page 5-6 depicts a downward trend with the overall City Debt limit, giving the city more borrowing power if needed for future projects. Page 5-6 also graphically illustrates the historical trend of tax incremental debt and all other general obligation debt. In the past ten years general obligation debt excluding tax incremental financing debt has been between 20.3% and 37.0% of the City's legal debt limit. At the end of 2022, general obligation debt excluding tax incremental financing debt is expected to decrease based the cities equalized value growth and consistent payment of debt each year.

The overall general obligation debt including TID debt less debt service stabilization funds is at 68.9% of the legal limit at year end 2022. Based on planned capital improvements and debt schedule payoff this is expected to continue its downward trend in 2023.

The schedule on page 5-7 shows that the net debt levied per capita and the debt subject to the tax levy debt. The ratio of net levied debt to equalized value had decreased appreciably since 2011. In 2017 the City made some major capital improvement to the downtown facilities that causes this to increase. Property valuation compared to debt is a very good indicator of the City's ability to satisfy its debt service requirements. Even with the sharp increase in 2020, the city's ability to satisfy debt remains strong. This ratio is expected to remain stable.

The schedule on page 5-8 indicates that the ratio of net general obligation debt to general fund expenditures has remained consistant since 2015. Although the ratio between debt service requirements and general fund expenditures has increased from the Space Needs efforts, the information on page 5-8 would suggest that this ratio will continue to increase modestly over the next few years. This ratio is a good indicator that the City is not shifting operational type costs over to long-term debt.

Future Projections: The schedule on page 5-9 details the effect of anticipated future debt service requirements. The footnotes indicate the estimated future long-term debt. The most noteworthy column on this schedule is the column that indicates anticipated future tax levy impacts (right-most column). Going forward the City plans on continuing to issue revenue bonds for utility projects and finance special assessment projects with available funds to the extent possible. This strategy will reduce the annual general obligation borrowing to an average of \$4,500,000 per year. Based upon the assumptions in this schedule, the City will continually use levy dollars to pay down debt. With past efforts, the need for levy dollars to pay down debt has leveled off and is expected to stay this way for the foreseeable future.

The future debt service amounts above assume borrowing \$6 million in 2023, \$5 million in 2024 and 2025.

2023 BUDGET CAPITAL PROJECTS SUMMARY

Historical Perspective: The City uses long-term debt to finance major equipment purchases such as road graders, fire trucks and ambulances, which tend to have a significant impact on the operating budget in the year purchased. The City also issues long-term debt to finance updates to Parks and Pools, Utility Projects, Infrastructure, and buildings. More recently capital borrow was used to address the space needs throughout the city.

As the city finishes up the space needs projects in 2020 the capital borrow will continue to be around the \$2,500,000 to \$3,000,000 per year to maintain infrastructure, replace equipment and update parks. As the city grows the City's debt capacity may also be used to address future development such as Industrial parks.

The five-year capital projects schedule beginning on page 6-7 summarizes anticipated projects. It is also anticipated that additional projects will be added or removed from years 2023 through 2027.

Future Perspective: The schedule on page 5-9 indicates consistent debt service requirements for the foreseeable future and is based on \$4,500,000 of new borrowing for General Infrastructure, Equipment and buildings. Borrowing is expected to remain around the \$3.5 - \$5m per year. The market is great for interest rates. If it makes sense, a recommendation to Council will be made to borrow more than one years worth of projects to capitalize on the lower interest rates. With each new borrowing, the debt service payments are structured to remain as level as possible from year to year to have the least amount of impact on the levy.

2023 BUDGET

DIVISION: GENERAL GOVERNMENT DEPARTMENT: ASSESSMENT

MISSION STATEMENT

To uniformly and equitably assess all real estate and personal property except those properties designated manufacturing by the Department of Revenue, public utilities, and property exempt by state statute. The assessment procedures are dictated by Chapter 70 of the Wisconsin Statutes.

Conduct open book and attend all Board of Review sessions. Provide information as to assessment and appeal procedures per request. (A booklet is available to the public at the Assessor's Office that explains the assessment and appeals process.)

Estimate property taxes for potential new construction in the city. Provide information to all city departments upon request. Assess all annexations, new construction, additions, changes, new plats, deletions, etc. to submit an assessment report on an annual basis to the Mayor and Common Council.

This service is currently contracted through Bowmar Appraisal.

2023 BUDGET

DIVISION: GENERAL GOVERNMENT DEPARTMENT: CLERK

MISSION STATEMENT

Performs duties as required by State Statutes, care and custody of the corporate seal and all papers and records of the City. Attend council meetings and maintain records of proceedings. Coordinate agendas and minutes for other committees, commissions, and boards. Maintain and update the ordinance book. Issue and maintain records for licenses and permits. Administer oaths. Collect, invest, and disburse municipal funds.

2022 Goals and Objectives

- Prepare numerous agendas and recording of minutes, resolutions, and ordinances.
- Issue various licenses and permits.
- Maintain City records
- · Administer oaths of office
- Meet Legal Advertising deadlines
- Meet Posting requirements

2022 Accomplishments

- Prepared numerous agendas and recording of minutes, resolutions, and ordinances.
- Issued various licenses and permits.
- · Maintained City records.
- Administered oaths of office.
- Met legal advertising deadlines.
- Met posting requirements.
- Successfully collected \$18.8M of the tax levy. A 9% increase from the previous year.

2023 Goals and Objectives

- Improve the liquor licenses format to be electronically submitted by applicant and approved by staff
- Issue various licenses and permits.
- Meet Legal Advertising deadlines
- Meet Posting requirements

Service Efforts:

2023 BUDGET

DIVISION: GENERAL GOVERNMENT DEPARTMENT: COMMON COUNCIL

MISSION STATEMENT

The City Council will serve the needs and concerns of the City and strive to affect the greatest good for the community as a whole while maintaining a solid perspective between individual rights and the common good.

The City Council will take a leadership position in the community. It will act as the catalyst for new programs based on the needs of the community. The Council will promote cooperation between various segments of the community.

The City Council together with the Mayor and staff will develop and adopt a fiscally responsible budget on an annual basis. This budget will provide the resources to maintain a high quality of service yet must be responsive to economic conditions both within and outside the community.

Based on the realization that the needs of the City are continually changing, the Council will periodically review policies and procedures so that City Government as a whole can maintain a high level of effectiveness.

The Council will strive to keep the citizens informed on matters affecting the community. At the same time, the Council must keep well informed on the needs and concerns of the citizens and respond to these needs in a consistent and prudent manner.

The Council will seek and respect the recommendations of the Mayor, staff members, and various boards and commissions. The Council accepts the fact that good government is a cooperative process and that encouraging and accepting these recommendations does not diminish the authority of the Council.

The Council will continue to be cognizant of the needs of City employees and strive for a satisfying work experience. The Council will encourage its employees to upgrade their skills.

The Council will continue to identify areas within the community that need special attention and develop programs for their improvement.

The Council will encourage legislation at the County, State and Federal levels that is in the best interest of the community.

The Council will promote the community both within and outside.

DIVISION: GENERAL GOVERNMENT DEPARTMENT: COMMUNITY ENRICHMENT

MISSION STATEMENT

To develop and promote municipal programs that foster an appreciation of the arts, provide healthy lifestyle options, and utilize Kaukauna's parks and public places to the greatest extent possible.

2022 Goals and Objectives

- Continue to build meaningful community relationships in order to grow sponsorships and revenue sources for the Live! From Hydro Park concert series and Kaukauna Farmers Market.
- Work with the Mayor's office to explore new municipal programs and events that highlight Kaukauna's parks and public spaces.
- Work with Grignon Mansion, 1000 Islands Environmental Center, Kaukauna Public Library and Kaukauna Recreation Department to cross-promote events and programs in the community.

2022 Accomplishments

- Added additional activities, vendors, food trucks at Live! From Hydro Park Music Series.
- Increased sponsorships for Live! At Hydro by 20%.
- Worked with 1000 Islands Environmental Center, Kaukauna Public Library, Grignon Mansion & Recreation Department on offering a Community Event on July 3.
- Offered additional Special Events to the Community.
- Relocated Community Enrichment Coordinator and Grignon Mansion Executive Director to the SPaR building
- Created a Recreation Instagram Page
- Increased advertisements for Special Events with Fox Cities Chamber, Greater Fox Cities, Heart of the Valley Chamber

- Complete a new Special Event Application process for external community groups.
- Continue to evaluate Park Pavillion and Park Playground renovations. Specifically, Jonen Park Pavillion, La Follette Park Playground (ARPA) and Pickleball Courts in the open space adjacent to the Municipal Pool and Archery Range.
- Review & Update Park Master Plan (Last one was completed in 2019).
- Review & update Community Enrichment Coordinator, Recreation Program Manager & Office Assistant
 job descriptions and duties to add additional staffing.
- Evaluate and implement fee structure for Grignon Mansion.
- Continue to build meaningful community relationships in order to grow sponsorships and revenue sources for the Live! From Hydro Park concert series and Kaukauna Farmers Market.
- Increase accessibility and inclusiveness of our parks, programs and events
- Oversee bids for Pool Construction beginning in fall of 2023
- Oversee Capital Campaign for Pool Project
- Refine Live! From Hydro Contract to best fit the Kaukauna Community

2023 BUDGET

DIVISION: GENERAL GOVERNMENT DEPARTMENT: FINANCE

MISSION STATEMENT

The finance department is responsible for planning, directing, and administering the major functions of accounting, budgeting, financial reporting, employer insurance management, and electronic data processing to insure the City's financial stability and compliance with goals, policies, and regulations.

2022 Goals and Objectives

- Continue to document procedures between Clerk and Finance office that streamlines processes and formulizes responsibilities for staff and areas.
- Finalize the 5-year operating and people plan that includes the new department managers and their goals. Present to Finance and Personnel committee for feedback. Establish bi-annual update meeting/process
- Implement automated Accounts Payable process that will save city time and money. Through this process it will give access to other department manager's accounts and invoices for reference
- Administer the spending plan of the American Rescue Plan Act Funds as well as establish a spend tracker. File all necessary reports to meet Federal Government regulation for these funds.
- Migrate our Accounting system to a cloud base solution. Implement monthly reporting and data analysis.

2022 Accomplishments

- Developed the spending plan of the American Rescue Plan Act Funds as well as establish a spend tracker. Filed all necessary reports to meet Federal Government regulation for these funds.
- Developed the 5-year operating and people plan that includes the new department managers and their goals.
- Administered the bond issuance for the 2022 Capital Borrowing, month end close process, and 2022 Budget process.
- Assessed the Storm Water and Sanitary Utilities Rates and developed a plan to get the rates to a level that will support the necessary borrowing for capital improvement.
- Continued to work with a new developer on the uptown site on twin apartment complexes to develop an
 incentive package that works for the Developer and City Tax Increment District (TID)
- Managed the 2023 budget process, while looking for ways to ensure the City services stay in place and the tax rate stays in line with expectations.
- Negotiated with the property owner an amicable change to the maintenance agreement and Library lease

- Implement an automated Accounts Payable process that will save city time and money. This automation gains efficient for all involved from paying the invoice to referencing the digital version later.
- Implement a web-based policy and procedure space within the Finance and Clerk area. Revisit how staff documents these procedures and how often they get updated.
- Migrate current accounting software to a cloud base platform. In the process review other options to ensure we have the best fit for our operation, reporting, and data analysis needs.
- Further define the 5-year People & Operating plan (POP) process. Hold one working session to kick off the strategic planning efforts of the City.
- Ensure reporting is done on the spending of the ARPA Funds to the Department of Revenue per the plan for all projects on the list
- Improve budget planning process with Finance and Personnel Committee
- Coordinate Finance needs with newly created internal IT Department.

2023 BUDGET

DIVISION: GENERAL GOVERNMENT DEPARTMENT: HUMAN RESOURCES

MISSION STATEMENT

The Human Resources Department provides effective human resources services to all employees of the City, maintain compliance with all regulations (State & Federal) and administer all Human Resources policies and procedures. This is accomplished through the following functions: labor relations, policy and procedure development, recruitment and hiring, human resource records maintenance, employee counseling, employee assistance program, unemployment compensation, employee orientation, wage and salary administration, benefits administration, law compliance, training and education and employee relations.

2022 Goals and Objectives

- Implement plans laid out as a result of the organizational analysis.
- Complete labor contract negotiations for Police contract that expires December 31, 2022.
- Research and implement a new Occupational Health provider that is more cost effective and closer proximity to City of Kaukauna facilities.
- Refine and provide structure to the new hire onboarding process both internally before hire and the days/weeks following the new hire's start date.
- Research, develop and implement a performance review process.

2022 Accomplishments

- Successfully completed transition of new HR Director
- Re-classified Payroll Specialist position to HR/Payroll Generalist for better employee support and internal workflows.
- Reviewed policies and procedures in employee handbook to ensure compliance with federal and state law and best practices.
- In collaboration with external consultant, completed a compensation and classification analysis of non-rep
 positions.
- Researched, designed, and implemented a new performance management system.
- Completed an employee engagement survey to identify areas for growth.
- Refined new hire onboarding process.
- Completed labor negotiations with Fire Union.

- Implement plans laid out as a result of the compensation and classification analysis to ensure competitive and equitable compensation for staff.
- Create a Diversity, Equity, and Inclusion committee to help foster a welcoming workplace in which employees of all backgrounds and demographic characteristics can flourish.
- Refine onboarding and training program for seasonal employees.
- Research and implement a new HRIS system that meets the needs of the City in a cost-effective manner.

2023 BUDGET

DIVISION: GENERAL GOVERNMENT DEPARTMENT: INFORMATION TECHNOLOGY

MISSION STATEMENT

This department accounts for the costs associated with managing the City's computer network.

The history of this department started many years ago as a shared service between the Kaukauna Utilities and the City of Kaukauna. Both entities needed an information technology (IT) support but were young in the need for this service. Through the years the need for the service has grown to the point where both the City and Kaukauna Utilities has the need to have its own department.

In 2023 the City of Kaukauna will have its own department and staff to support this function. This will give the dedication to the City service, infrastructure, and vision of the IT future for the City. This department will comprise of a System Administrator and managed service that will be contracted with a private company. The managed service will manage the day-to-day operations, help desk ticketing, and network uptime. They Systems Administrator will be responsible for developing internal policies and procedures, ensuring policies are being followed by users, long term goals and projects of the City and project coordinating of the projects.

- Migrate the help desk system and service to a managed service
- Oversee all critical infrastructure upgrades
- Have all Assets on the Network labeled with an Identification (ID) Asset tag. Compile this information in a database
- Ensure network has less than three major interruptions through the year.

2023 BUDGET

DIVISION: GENERAL GOVERNMENT DEPARTMENT: MAYOR

MISSION STATEMENT

The Office of the Mayor coordinates and administers the operations of city government; carries out the policies adopted by the Mayor and Common Council; appoints members to committees, commissions and boards subject to the approval of the Council; works with the Council in identifying and solving problems facing the city and in implementing appropriate measures for the welfare of the citizens of Kaukauna; monitors performance of staff in carrying out programs to achieve city goals; prepares the annual executive budget; seeks to achieve effective coordination and efficient delivery of services to assure economy, accountability and responsiveness to the citizens' needs.

Each budget requires more creative thinking than the previous as our City continues to grow and prosper.

2022 Goals and Objectives

- Increase tax base through new residential and commercial development.
- Update our parks to include amenities such as a new sports complex (baseball fields), a pickle ball complex, and a music pavilion/amphitheater at Hydro Park.
- Work with Habitat for Humanity's "Rock the Block" in the Riverside Park neighborhood to help revitalize the area, increase our tax base and reduce crime.
- Work with downtown business owners to include façade upgrades. Improve the two vacant city owned lots on 2nd and 3rd Streets.

2022 Accomplishments

- Recommended City Attorney be appointed with referendum on November election ballot
- Helped fill 26 empty/semi empty storefronts through the \$10,000 Badger Bounce Back program
- Increased tax base through new residential and commercial development.
- Attended two Chief Executive Conferences and the League of Wisconsin Municipalities Annual Conference with 7 City Council members
- Worked with developer on the \$63 million Uptown site (old auto dealership site) that will house two 4-story 90-unit market rate apartments.
- Worked with developer on a 4-story indoor climate-controlled U-Haul facility, and a 3-story 180-unit market rate apartment complex in Commerce Crossing
- Work with Habitat for Humanity's "Rock the Block" in the Riverside Park neighborhood to help revitalize the area, increase our tax base and reduce crime.
- Work with 4 downtown business owners to include façade upgrades.
- Spoke at numerous public events such as Memorial Day and Veterans Day celebrations
- Spoke at numerous ribbon cuttings for new business' that opened in Kaukauna

2023 BUDGET

DIVISION: GENERAL GOVERNMENT DEPARTMENT: MAYOR

2022 Accomplishments (continued)

- Formed a committee of city staff to develop American Rescue Plan Funds priorities list (ARPA)
- Added a Code Enforcement Officer to help aggressively pursue nuisance and non-compliant properties
- Completed the first People Operating Plan (POP)
- Used the People Operating Plan (POP) to include additional positions such as detective in police department and fire training officer
- Moved the Grignon Mansion Executive Director to the city budget

- Increase tax base through new development and expansion/rehabilitation of existing facilities
- Continue to work with developer on a hotel in Commerce Crossing
- Continue to work with developer on annexation of 90 acres (Wolfinger property) for new residential development.
- Work with KHS Civic Engagement Class on developing a program giving to special city projects.
- Work with KHS Civic Engagement Class on expanding the pavilion, adding a tow rope at the sledding hill and an ice rink at Grignon Park
- Update our parks to include amenities such as a new sports complex (baseball fields), a pickle ball complex and a music pavilion/amphitheater at Hydro Park.

2023 BUDGET

DIVISION: GENERAL GOVERNMENT DEPARTMENT: MUNICIPAL JUDGE

MISSION STATEMENT

The Municipal Judge has such jurisdiction as provided by law and Sec. 755.045 of the Wisconsin State Statutes and exclusive jurisdiction of violations of City ordinances. The procedures of Municipal Court are in accordance with Sec. 1.02, 1.04, and 1.15 of the Municipal Code and Chapters 343, 345, 755, 800, and 911 of the Wisconsin State Statutes.

2022 Accomplishments

- Continued to work with school resource officers, school administrators, and parents/juveniles at middle and high schools in "truancy court."
- Continued judicial education.
- Attended judicial meetings.
- Attended clerk meetings.
- Streamlined court processes and procedures.
- Created new municipal court paperless procedures.
- Recovered from COVID shutdowns.

- Implement community service program for adults & juveniles (Kaukauna Community Justice Garden Initiative).
- Continue to work with school resource officers, school administrators, and parents/juveniles at middle and high schools in "truancy court."
- Continue judicial education.
- Attend judicial meetings.
- Attend clerk meetings.
- Onboard new court clerk.
- Streamline court processes and procedures with new code and building inspectors.
- Develop nuisance property/abatement process.
- Update fines and fees to increase revenue and update fines in TRACS in accordance with current bond book schedule.
- Invite civics classes and other youth groups to municipal court.
- Increase community involvement.
- Create and maintain phone log/court case files/notes.

2023 BUDGET

DIVISION: GENERAL GOVERNMENT
DEPARTMENT: PLANNING/COMMUNITY DEVELOPMENT

MISSION STATEMENT

The mission of the Planning and Community Development Department is to promote the orderly growth and development of the City in a manner intended to maintain a high-quality living environment.

2022 Goals and Objectives

- Update the 2013 City of Kaukauna Comprehensive Plan as required by state statute.
- Create design guidelines for the downtown redevelopment area that will set the tone for future development within the corridor.
- Work with community partners and create a plan for the baseball facilities south of "Inside the Park Place" Subdivision.
- Work to improve both quality of life and the city's tax base with continued development and city wide growth.
- See fabrication and installation of citywide wayfinding signage system.
- Perform an internal housing analysis to determine quality of housing stock and the need for types of housing.
- Continue to provide quality customer service to Kaukauna's businesses and residents.

2022 Accomplishments

- Fully Staffed with the hiring of an Associate Planner and shared Administrative Coordinator.
- Created online mapping applications for the public and staff to use: zoning map, TIF Map, and Site Selection Application.
- Implemented wayfinding signage replacement. All signs have been fabricated and will be installed late 2022 or early 2023.
- Five RACK loans and one PACE loan administered and approved in 2022.
- Working with community partners, site work has gone out to BID for baseball facilities at Inside the Park Place.
- Staff was a part of a regional housing analysis that developed a strategy for housing in the Fox Cities.
- Sold 16 Lots at Inside the Park Place. With a land sale value of \$711,200.
- Under contract for 2 commercial lot sales with a sale value of \$893,500.00.
- Updated Chapter 18 Subdivision Code to better fit modern development standards.
- Attracted major development projects in TID #8 and TID #5 (downtown and Commerce Crossing)

- Work to revitalize the City's downtown and create a walkable vibrant destination.
- Continue to attract quality developments to the city's many commercial, industrial, and residential corridors.
- Update the future land use chapter of the City's Comprehensive Plan.
- Perform public outreach for the update of the City's Comprehensive Plan.
- Create a façade ordinance for developments in certain districts to abide by.
- Create a landscape ordinance for new construction within commercial, industrial, and multi-family districts.
- Work to gain an offer to purchase and development contract for a hotel within the City.
- See the completion of Dreamville Kaukauna, by the end of 2023.
- Sell 3 commercial or industrial lots.
- Have six businesses utilize RACK program funding within the Downtown.
- Finish the Second Street Vehicular/Pedestrian Alley update.
- Finish the Fox River Seawall Project.

2023 BUDGET

DIVISION: PUBLIC SAFETY DEPARTMENT: AMBULANCE

MISSION STATEMENT

As an integral part of the fire service in our community, the City of Kaukauna ambulance program will provide for the efficient care and safe transportation of victims of illness or injury. By maintaining the highest level of care and professionalism, the firefighter/paramedics will meet the community's needs to help ensure the safety and well-being of the populace.

- Complete the second session of the mandatory paramedic refresher course set by the State of Wisconsin. This course will include the recertification in Cardiopulmonary Resuscitation, Advanced Cardiac Life Support, and Pediatric Advanced Life Support. There has been an increase in the hourly relicensure requirement for the paramedic level provider and will now occur over three years.
- Purchase a Stryker Power-Pro XT power cot and a power load system for the ambulance. This equipment will reduce the potential for on-duty back-related injuries and potential reduction in lost employee hours.
- Continue to work on various committees related to prehospital care and communications. The
 administrative staff serves on the local Regional Trauma Advisory Committee, Outagamie County EMS
 Chiefs' Association, and Fox Valley Technical College EMS advisory committee.
- Research options for specialized disinfection procedures/equipment for personal protection equipment and durable medical equipment, thereby reducing the potential risk of biohazard exposures to personnel.
- Review current department ambulance designs and configurations, create new specifications based on current and future design needs, and complete the purchase of a new fire department ambulance.
- Research community needs to provide additional educational opportunities to the general public related to health and wellness, first aid, and injury prevention.
- Complete the annual review of the fire department's patient care guidelines, procedures, and protocols.
 The protocols are standing orders used during EMS calls. Our Service Medical Director Ryan Murphy
 M.D. and Assistant Chief/EMS Director will review the protocols and update them with current
 medications and patient care procedures.
- Comply with all regulations and standards set forth by OSHA, Wisconsin Department of Commerce, Wisconsin Department of Health and Family Services, and national health organizations.

2023 BUDGET

DIVISION: PUBLIC SAFETY DEPARTMENT: AMBULANCE

2022 Accomplishments

- The fire department purchased a third ambulance to be utilized on emergency calls. This unit was purchased used and will allow the department to better service the citizen during times of high call volume.
- We applied for and received Funding Assistant Program (FAP) monies from the State of Wisconsin. Total
 monies of \$29,373.73 were received in 2022. \$24,390.23 of this total was from a one-time State of
 Wisconsin allocation of \$8.0 million from the American Rescue Plan Act (ARPA), which was divided
 equally among all transporting EMS services in the state.
- We applied for and received an EMS Flex Grant Award from the Wisconsin Department of Health Services, Division of Public Health, Office of Preparedness and Emergency Healthcare's EMS Section. The total amount received was \$13,900.
- The ambulance service continues to utilize numerous EMS supply companies, and through networking
 and collaborative efforts reduced cost during the purchase of EMS supplies by "shopping around". This
 continues to result in a significant purchase savings during the current state of the economy and
 exorbitant medical supply prices.
- All record keeping, reporting, and maintenance of the required documents were completed as required by fire department policy, paramedic operational plan, and State of Wisconsin Department of Health and Family Services.
- The fire department continued to provide the highest level of pre-hospital care available to its residents and those employed in and around the surrounding area. This not only involves care of the sick and injured, but also vehicle extrication and various forms of rescue work.
- The Assistant Chief/EMS Director continues to serve as a liaison between the fire department ambulance service and the numerous surrounding first responder agencies, coordinating patient care prior to fire department arrival at emergency incident scenes.
- Fire department paramedics started the triennial paramedic refresher training. This refresher training is
 mandated by the State of Wisconsin and is comprised of 70 hours of certified training on all medical
 topics including CPR, Advanced Cardiac Life Support, and Pediatric Advanced Life Support.
- The fire department purchased a third LifePak 15 cardiac monitor. This monitor is the same as other cardiac monitors currently utilized on department ambulances will allow fire department paramedics to monitor and treat a variety of life threatening medical and traumatic emergencies. These monitors have the capability of defibrillation, cardiac pacing, cardioversion along with blood pressure, oxygen saturation, carbon monoxide, temperature, and end tidal carbon dioxide monitoring.
- Installed additional FirstNet hardware into our ambulances to allow for more reliable and dedicated highspeed Internet in our ambulances.
- Provide stand-by services at all local high school football games.
- Successfully passed our bi-annual State of Wisconsin ambulance inspection.
- A review of patient care protocols was completed, and our pediatric tachycardia protocol was updated.
- Reviewed our CARES (Cardiac Arrest Registry to Enhance Survival) reports and identified areas of improvement for our community, such as increasing rates of bystander-initiated CPR.

2023 BUDGET

DIVISION: PUBLIC SAFETY DEPARTMENT: AMBULANCE

- Complete the third session of the mandatory paramedic refresher course set by the State of Wisconsin.
 This will include the recertification in Cardiopulmonary Resuscitation, Advanced cardiac Life Support, and
 Pediatric Advanced Life Support. There has been an increase in the hourly re-licensure requirement for
 the paramedic level provider and will now occur over a three-year period.
- Take delivery of, and place into service a new ambulance ordered in December 2021.
- Research community needs in an effort to provide additional educational opportunities to the general
 public related to health and wellness, first aid, and injury prevention with particular attention to improving
 the chain of survival elements related to out-of-hospital cardiac arrest. This includes early recognition of
 cardiac events, emergency response system activation and bystander-initiated CPR.
- Continue to work on various committees related to prehospital care and communications. The
 administrative staff serves on the local Regional Trauma Advisory Committee, Outagamie County EMS
 Chiefs' Association, and Fox Valley Technical College EMS advisory committee.
- Continue implementing field-based reporting, utilizing mobile devices on the ambulances.
- Complete the annual review of the fire department's patient care guidelines, procedures, and protocols.
 The protocols are standing orders used during EMS calls. Our Service Medical Director Ryan Murphy
 M.D. and Assistant Chief/EMS Director will review the protocols and update them with the most current
 medications and patient care procedures.
- Comply with all regulations and standards set forth by OSHA, Wisconsin Department of Commerce,
 Wisconsin Department of Health and Family Services, and national health organizations.

DIVISION: PUBLIC SAFETY DEPARTMENT: BUILDING INSPECTION

MISSION STATEMENT

The mission of the Building Inspection Department is to protect and foster the health, safety and well being of Kaukauna residents who occupy or use the buildings within the corporate limits of the City. The mission not only entails inspecting the older housing units but also enforcing current codes and construction practices in new construction. The enforcement level of the Building Inspection Department not only affects the quality of construction today but also the safety and well-being of the occupants tomorrow.

2022 Accomplishments

- Hired a full time Code Enforcement Officer
- 113 correction letters issued on 67 properties since June 1st, 2022.
- On track for 75 new homes built this year.
- Entered into a contract with Eplan reducing the average State Plan Review process from 30 days to 10 days.

- Implement full electronic permit plan review/submittal.
- Permit 75 new homes.
- Continue ongoing code enforcement efforts.
- Review building permit fee schedule and determine if any changes need to be made
- Reduce consulting fees

2023 BUDGET

DIVISION: PUBLIC SAFETY DEPARTMENT: FIRE

MISSION STATEMENT

The Kaukauna Fire Department is committed to providing a safe and healthy community for both citizens and business by minimizing fire loss through sound fire prevention efforts, competent suppression techniques and efficient emergency medical care.

2022 Goals and Objectives

- Gain better compliance with fire code violations.
- Finish our two-year replacement of all bunker gear.
- Continue three-year project of replacement of SCBA equipment.
- Continue implementation of new online platform for training and tracking.
- Make updates to our standard operating procedures.

2022 Accomplishments

- In 2021, the Kaukauna Fire Department responded to 24 fires, saving \$9,977,800 in property.
- In October of 2022, we hosted an open house to celebrate 100 years of continuous service to the community as a career fire department.
- With the assistance of our Code Enforcement Officer, we successfully gained compliance on numerous long-term fire code violations.
- Participated in the completion and release of the "Better Together" service sharing study conducted by the Wisconsin Policy Forum. This report identifies ways Fox Valley fire departments can leverage existing resources to enhance services throughout the Valley.
- Purchased 14 new sets of bunker gear to replace outdated protective equipment. Two additional sets will need to be purchased to complete the full replacement.
- Purchased 13 SCBA air-paks to replace outdated breathing apparatus.
- Implemented Bluetooth technology into our SCBA masks, allowing for much clearer communication while wearing an SCBA mask.
- Implemented new headset devices in our engine, allowing for hearing protection from sirens, an intercom system for firefighters in the back to clearly communicate with firefighters in the front seats, and the ability to clearly hear dispatch information.
- Purchased a battery-operated Positive Pressure Fan, allowing firefighters to clear smoke from interior hallways and rooms without the exhaust odor and carbon-monoxide given off from traditional gaspowered fans.
- Implemented a new Toxic Exposure Form to better document when our firefighters were exposed to or may have been exposed to a toxic substance.
- We have made creative changes to our hiring process to be more competitive and timely with the hiring of new staff.
- We implemented a new week-long orientation for newly hired firefighters. This better prepares our newly hired firefighter/paramedic to "hit the ground running". It allows for 40 hours of uninterrupted training that is difficult to complete once working regular shifts.

2023 BUDGET

DIVISION: PUBLIC SAFETY DEPARTMENT: FIRE

2022 Accomplishments (continued)

- We continue to update and enhance our Probationary Firefighter Workbook. This workbook is completed
 during their first 18-months and covers a wide-range of necessary training including: safety and survival,
 street knowledge, patient care protocols, water and ice rescues, ropes and knots, inspections, fire
 behavior, fire control, and much more.
- We began to staff to a minimum of 5 firefighters during the daytime hours. This keeps us better prepared
 to respond to fire and ambulance calls, while also allowing for fire inspections and more training. This
 year alone, on numerous occasions it allowed us to respond to simultaneous emergencies immediately,
 without the need to wait for mutual aid ambulances from outside of the city.
- We have implemented a more aggressive bunker gear washing procedure to help in our efforts to reduce cancer rates in the fire service.
- Added functional exercise equipment for our firefighters to allow for appropriate strength and conditioning while encouraging overall health and wellness.
- Began the transition of converting existing mission-critical communications devices to FirstNet. This is a cellular network dedicated to fire responders.
- Continued our replacement of outdated bunker gear equipment to provide effective and safe protective clothing.
- Updated our policy and procedure book into an easily editable and trackable document.
- Implemented performance review for our staff.
- Presented several "Career Day" talks to both middle school and elementary school students.
- Successfully passed our 2% Dues audit conducted by the State of Wisconsin Department of Safety and Professional Services.
- Designed specifications and placed an order for a new ladder truck to replace our existing 1995 Pierce truck. This new truck is expected to arrive in June of 2024.

- Provide effective and efficient fire and rescue services to the community.
- Implement cancer prevention measures to ensure health and safety of firefighters.
- Complete our replacement of firefighting protective bunker gear.
- Complete our replacement of all self-contained breathing apparatus.
- Enhance our training programs.
- Continue implementing mission-critical communication devices in our organization.
- Begin a review and update of existing policies and procedures.
- Invite EMS and Fire college students to intern at the Kaukauna Fire Department.
- Explore alternative responses to ensure fast, safe, and efficient responses to all emergencies.

2023 BUDGET

DIVISION: PUBLIC SAFETY DEPARTMENT: FIRE SAFETY

MISSION STATEMENT

Recognizing that education and code enforcement are vital components in the prevention of fires and the reduction of fire losses. The Kaukauna Fire Department will sustain a comprehensive public awareness program within the community through regular fire prevention inspections and public education programming.

- All Kaukauna Fire Department staff members will continue to conduct company-based fire inspections throughout the community. A stronger effort has been made in re-inspections to gain compliance with businesses that fail to correct fire code violations. Although a stronger effort of re-inspections has gained compliance from some businesses there are still many businesses that fail to comply with the fire code. The fire prevention bureau will work to explore options on how to improve compliance for those businesses that continually fail to follow fire code compliance.
- All records will continue to be kept current to the Department of Commerce's regulations. We continue to send all NFIRS reports to the Federal database. All Fire Department members will have continuing education so that they are able to be kept up to date with the most current code interpretations.
- The Juvenile Fire Starters program will continue in 2022. On October 12th and October 13th 2021 six members of the fire department took part in the Juvenile Fire Starters program to become nationally certified from the National Fire Academy.
- The Fire Arson Program will remain in place for 2022. All investigators will keep current with continuing
 education in both Arson investigation classes and Fire investigation classes to align with all updates and
 standards. As of 2020 the City of Kaukauna Department is now an active member of the Outagamie
 County Arson Task Force and attends regular education trainings.
- The general public will receive education in fire code compliance and fire prevention. The Kaukauna Fire
 Department will begin to provide community education on severe weather and severe weather
 preparedness. Information and education will be made available regarding what steps to take after a
 severe weather event. These include, but are not limited to, power line safety, downed trees, and street
 flooding.
- The Kaukauna Fire Department will continue to provide age-appropriate fire prevention education to all schools within the Kaukauna City limits. Currently, this education is offered to students in 4K through 5th grade. Next year, the Kaukauna Fire Department will expand fire prevention education to higher grade levels. Kaukauna Fire Department will also continue to partner with the Kaukauna Recreational Department's Safety Town.
- Kaukauna Fire Department will continue to work on our Image Trend records system in order to document
 and log all fire prevention classes and inspections in order to provide the most accurate information
 possible for data collection.

2023 BUDGET

DIVISION: PUBLIC SAFETY DEPARTMENT: FIRE SAFETY

2022 Accomplishments

- Staff performed 1,223 fire inspections and identified 261 fire code violations.
- Began working with the Code Compliance Officer on gaining compliance on outstanding violations. With his assistance, we successfully gained compliance on several long-term code violations.
- Software systems continue to be refined to provide a more efficient method to conduct inspections with our current staff. We have received positive feedback from business owners on the efficiency of this system.
- We provided 45 individual classes to Kaukauna students, delivering the message to 2,160 children.
- Participated in Kaukauna Recreational Department's Safety Town program.
- Instructed Boy Scouts in fire safety, helping them to achieve their Fire Safety Merit Badge.
- Distributed 30 no-cost carbon monoxide detectors to local families.

- All Kaukauna Fire Department staff members will continue to conduct company-based fire inspections
 throughout the community. We will continue to build a strong working relationship with our Code
 Enforcement Officer to address businesses that fail to correct fire code violations.
- All records will continue to be kept current to the Department of Commerce's regulations. We continue to send all NFIRS reports to the Federal database. All Fire Department members will have continuing education so that they are able to be kept up to date with the most current code interpretations.
- Strengthen our Juvenile Fire Starters program.
- The Fire Arson Program will remain in place for 2023. All investigators will keep current with continuing education in both Arson investigation classes and Fire investigation classes to align with all updates and standards.
- The general public will receive education in fire code compliance and fire prevention. The Kaukauna Fire
 Department will begin to provide community education on severe weather and severe weather
 preparedness. Information and education will be made available regarding what steps to take after a
 severe weather event. These include, but are not limited to, power line safety, downed trees, and street
 flooding.
- The Kaukauna Fire Department will continue to provide age-appropriate fire prevention education to all schools within the Kaukauna city limits.
- We will continue to partner with the Kaukauna Recreational Department's Safety Town program.
- Kaukauna Fire Department will continue to work on our Image Trend records system in order to document
 and log all fire prevention classes and inspections in order to provide the most accurate information
 possible for data collection.

2023 BUDGET

DIVISION: PUBLIC SAFETY DEPARTMENT: POLICE

MISSION STATEMENT

The mission of the Kaukauna Police Department is to enhance the quality of life in the City of Kaukauna by working cooperatively with the public to enforce the law, preserve the peace, reduce the fear of crime, and provide for a safe environment.

The Kaukauna Police Department will strive to provide quality police services and promote a "partnership for a safer community" through police and citizen interaction, with emphasis on education, respect fairness and integrity.

2022 Goals and Objectives

- Upgrade computers in the police department.
- Purchase new bike for bike patrol which will allow us to patrol trails and streets of Kaukauna.
- Continues to train school staff and citizens in Alice training.
- Hold an "Open House" at the Kaukauna Police Department so citizens can tour the police department and interact with officers.
- Establish new social media platforms to inform public (twitter)
- Continue to training officers in new technology.
- Up-date officers tasers

2022 Accomplishments

- Taser up-grade for patrol officers
- Held an "Open House" at the Kaukauna Police Department so citizens can tour the police department and interact with officers.
- Continued to train officers and teachers at KASD in Alice (active shooter) training
- Utilized two electric bikes donated to the police department
- Continued to participate in the "Lights of Christmas" program which raises money for families in need
- Purchased a Cellbrite machine which forensically downloads cellphones for criminal investigations
- Purchased a TruNark machine which will allow officers to safely test drugs
- Offered two drug take back days

- Purchase new handguns for officers
- Continue to hold an "Open House" at the Police Department so citizens can tour the PD and interact with
 officers.
- Enhance our investigative unit by adding another investigator to help handle death investigations, theft cases, fraud cases, etc
- Explore creative ways to attract new officers and retain our current staff
- Work with the newly hired "code enforcer" to address problem areas in the city
- Provide Alice (active shooter) training to city staff
- Continue to enhance our public relations through various programs; IE. Business liaison, coffee with a cop, touch a truck, and appearances at city festivals and events
- Promote the continued health and well-being of employees through wellness check-in's and peer support program

2023 BUDGET

DIVISION: PUBLIC SAFETY DEPARTMENT: SCHOOL PATROL

MISSION STATEMENT

The City of Kaukauna School Crossing Guard program provides uniformed adult supervision at seven school intersections where the majority of the students cross within the City. The crossing guards assist students, bikers and pedestrians when they are crossing the intersections to and from their classes. This service is provided between the hours of 7:00 and 8:15 A.M., and from 2:45 through 4:00 P.M. on school days.

During three weeks in June, three of our crossing guards are involved in the Safety Town program that is designed to teach safety habits to the children who are entering kindergarten. It has evolved into a comprehensive program covering everything from crossing the street, to playground behavior, littering, avoiding poisons, stranger danger, call 911 and fire prevention. Police Officers and Firemen also participate as guest speakers.

DEPARTMENT: ALCOHOL & OTHER DRUG AWARENESS

MISSION STATEMENT

The Alcohol and Other Drug Abuse Prevention Board's mission as defined by City ordinance is as follows.

The Board shall take such steps as it determines necessary to educate the public regarding the problems of alcohol and other drug abuse and to develop public information programs to relation thereto.

The Board shall make recommendations to the Council in cases where Council action is required on matters pertaining to the prevention of alcohol and other drug abuse.

To the extent possible the Board shall coordinate all activities related to the prevention of alcohol and other drug abuse in the City and shall cooperate with other county and state agencies organized for a similar purpose.

2023 BUDGET

DIVISION: TRANSPORTATION DEPARTMENT: ENGINEERING

MISSION STATEMENT

Develop and carry out the City's capital improvement program including the design, construction, inspection and management of streets, sewers, sidewalks, associated rehabilitation programs and all other City public works projects. Operate and manage the City's Sanitary Sewer Utility and Stormwater Utility. Implement the City's Right-of-Way Management Ordinance requirements. Perform survey work, conduct traffic studies as required, review and inspect new construction and re-development sites, compile special assessments, and maintain official maps and records.

2022 Goals and Objectives

- Complete construction projects including sewer, stormwater, and paving in a timely, cost-effective manner while minimizing disruptions to residents and the travelling public.
- Work with the Wisconsin Department of Transportation, Wisconsin Department of Natural Resources, Outagamie County Highway Department, and other agencies as needed to effectively carry out the duties delegated to the Department of Public Works.
- Assist other City departments and department heads when requested.
- Work with the Heart of the Valley Metropolitan Sewerage District (HOVMSD) within the Capacity,
 Management, Operations, and Maintenance (CMOM) program and Clearwater Sustainability Program to
 reduce the amount of inflow and infiltration that enters the sanitary sewer system. This work will include
 sewer rehabilitation projects, replacement of private sanitary sewer laterals, flow monitoring, and any
 other tasks deemed necessary by the HOVMSD and its consulting engineer.
- Work with the Wisconsin Department of Natural Resources to meet water regulations and improve storm water quality throughout the Municipal Separate Storm Sewer System (MS4).
- Work with Kaukauna Utilities to coordinate sanitary sewer main, water main, and lateral replacement projects.
- Continue to develop the City's G.I.S. system.

Successfully complete the following projects:

- 2022 Concrete Street Paving Project
- Sanitary Sewer and Water Main Relay Projects with Kaukauna Utilities
- Alley Reconstruction Project
- Concrete Sidewalk Replacement Project
- Island Street Bridge & Street Replacement
- Island / Elm Intersection Reconfiguration and Signalization
- Elm/Thilmany Intersection Reconstruction
- Lawe Street Sidewalk Installation and Curb Rehabilitation
- Hillcrest Drive Sidewalk Installation and Curb Rehabilitation
- Design and Construction of the Jonen Park Pavilion
- K4 Basin Flood Storage Project
- Glenview Ravine and Outfall Project
- Erosion Control Stormwater Outfall / Streambank Restoration Project

2023 BUDGET

DIVISION: TRANSPORTATION DEPARTMENT: ENGINEERING

2022 Accomplishments

Successfully Completed the Following Projects:

- 2022 Concrete Street Paving Project
- Sanitary Sewer and Water Main Relay Projects with Kaukauna Utilities
- Alley Reconstruction Project
- Concrete Sidewalk Replacement Project
- Island Street Bridge & Street Replacement
- Island / Elm Intersection Reconfiguration and Signalization
- Lawe Street Sidewalk Installation and Curb Rehabilitation
- Hillcrest Drive Sidewalk and Curb Rehabilitation
- Design of the Jonen Park Pavilion
- Stormwater Outfall / Streambank Restoration Projects Nelson Trail and Fox Shores
- Inside the Park Place Utility Installation and Grading

Began Work on the Following Projects (Anticipated Final Completion in 2023):

- Grignon Park Utility Relay and Streambank Restoration
- Assisted other City departments and department heads when requested. Provided technical assistance, mapping and displays for multiple departments.
- Worked with the Heart of the Valley Metropolitan Sewerage District (HOVMSD) within the Capacity,
 Management, Operations, and Maintenance (CMOM) program and Clearwater Sustainability Program to
 reduce the amount of inflow and infiltration that enters the sanitary sewer system. This work included sewer
 rehabilitation projects, replacement of private sanitary sewer laterals, and other tasks deemed necessary by the
 HOVMSD and its consulting engineer.
- Worked with the Wisconsin Department of Natural Resources to meet regulations and improve storm water quality throughout the Municipal Separate Storm Sewer System (MS4). Worked with developers to install proper erosion control and stormwater management facilities assisting in the successful development of their properties.
- Updated the Stormwater Pollution Prevention Plan (SWPPP) for the remodeled Municipal Facility and implemented the new Public Outreach and Education program.
- Continued the process of establishing a Wetland Mitigation Bank as part of the Haas Road Park area and began the process of creating an onsite wetland mitigation project to enhance and restore wetlands on the Inside the Park Place recreational area.
- Worked with Outagamie County on the reconstruction of CTH J and CTH Q.
- Worked with Kaukauna Utilities to coordinate sanitary sewer main, water main, and lateral replacement projects, and street patching on Kenneth Avenue area and continued planning for 5-year CIP and upcoming lead water service replacement projects.

2023 BUDGET

DIVISION: TRANSPORTATION DEPARTMENT: ENGINEERING

2023 Goals and Objectives

- Complete construction projects including sewer, stormwater, and paving in a timely, cost-effective manner while minimizing disruptions to residents and the travelling public.
- Work with the Wisconsin Department of Transportation, Wisconsin Department of Natural Resources, Outagamie County Highway Department, and other agencies as needed to effectively carry out the duties delegated to the Department of Public Works.
- Assist other City departments and department heads when requested.
- Work with the Heart of the Valley Metropolitan Sewerage District (HOVMSD) within the Capacity,
 Management, Operations, and Maintenance (CMOM) program and Clearwater Sustainability Program to
 reduce the amount of inflow and infiltration that enters the sanitary sewer system. This work will include
 sewer rehabilitation projects, replacement of private sanitary sewer laterals, flow monitoring, and any
 other tasks deemed necessary by the HOVMSD and its consulting engineer.
- Work with the Wisconsin Department of Natural Resources to meet water regulations and improve storm water quality throughout the Municipal Separate Storm Sewer System (MS4).
- Work with Kaukauna Utilities to coordinate sanitary sewer main, water main, and lateral replacement projects.
- Continue to develop the City's G.I.S. system.

Successfully complete the following projects:

- 2023 Concrete Street Paving Project
- Sanitary Sewer and Water Main Relay Projects with Kaukauna Utilities
- Alley Reconstruction Project
- Elm/Thilmany Intersection Reconstruction
- Construction of the Jonen Park Pavilion
- Grignon Park Utility Relay and Streambank Restoration
- K4 Basin Flood Storage Project Tanner School and Ann/Thelen Pipe Sizing
- Glenview Ravine and Outfall Project Design/Permitting
- Erosion Control Stormwater Outfall / Streambank Restoration Project
- Navigation Canal Seawall Project
- Downtown Pedestrian Alley Development
- Construct Company Woods Pond
- Concrete Street Patch Program on STH 55 and other various locations

DIVISION: TRANSPORTATION DEPARTMENT: SNOW & ICE CONTROL

MISSION STATEMENT

The mission of the Snow and Ice Control Department is to keep streets and city owned sidewalks open to traffic in all winter conditions and to provide skid free pavement surfaces at intersections, stop and yield signs. Responsibilities and expenditures include ordering of blades, chains, salt, and chips for mixing and stockpiling, application of these materials, plowing, removal, and hauling of snow. Also included is the removal of snow and ice from private walks when not performed by owners. Private snow and ice removal is billed to the property owner.

2023 BUDGET

DIVISION: TRANSPORTATION
DEPARTMENT: STREET DEPARTMENT ADMINISTRATION

MISSION STATEMENT

The mission of Street Department Administration is to provide effective and efficient management of the street, sanitation, and park departments. Street department administration is in charge of and responsible for maintenance and repair of streets, alleys, curbs and gutters, sidewalks, street signs, traffic control devices, storm sewers, sanitary sewers, city buildings and structures, parks, athletic fields and all machinery, equipment and property used in any activity under departmental control.

The administration has charge of such public services as garbage and refuse collection and disposal, snow and ice control, street cleaning and flushing, recycling and such other activities as may be assigned from time to time by the council.

The administration determines the priorities, objectives, policies, procedures and overall resource needs. The administration is also responsible for the development and implementation of public policies regarding the street, sanitation, and park departments.

2022 Goals and Objectives

- Continue to provide effective and efficient direction and control of the Street and Park Departments.
- Maintain the city's designation, "Tree City USA" by the National Arbor Day Foundation.
- Provide continuing education opportunities for all Street and Park Department personnel.
- Continue emphasizing safety and provide the equipment and tools necessary to achieve a safe working environment.
- Continue working with safety coordinator to provide safe work environments while maintaining optimum efficiency.
- Continue with systematic equipment replacement.
- Continued sign installation and inventory.
- Working with the State to keep the gypsy moth problem to a minimum.
- Continue education through the DNR regarding the Emerald Ash Borer.
- Continue to clean, inspect and rebuild city sewers.
- Continue to build and maintain new equipment and property at Jonen Park, Dog Walking Park, moving
 forward with the development of Anderson Park and Haas Road Park while maintaining and upgrading all
 city parks and downtown plazas.
- Work to create an honest, trusting work environment between our workforce and management to provide less wasted time and more efficient workdays.

2023 BUDGET

DIVISION: TRANSPORTATION
DEPARTMENT: STREET DEPARTMENT ADMINISTRATION

2022 Accomplishments

- The Street and Park Department continued to provide effective and efficient maintenance services for the
 residents of the city, its visitors, various organizations, and the Kaukauna area school district. Routine
 maintenance (refuse collection, snow removal, street repair, park care, sewer maintenance, weed cutting,
 street maintenance, vehicle maintenance, etc.) was performed throughout the year.
- The city received recognition for the 29th year in a row as a "Tree City USA" by the National Arbor Day Foundation. The award identifies the city as one which realizes the benefits of tree planting and maintenance of the urban forest.
- Personnel from the street and park department continued to participate in various educational
 opportunities like smart salting/brine seminars where we learn about calibration for best cost-effective
 results, infrastructure, and environmental impact. And Utility Damage prevention meeting, where the crew
 learned about preventing utility damage by proper excavating and marking of utilities.
- Safety training sessions were attended in Hearing Conservation, Vehicle Safety and Maintenance, Blood Borne Pathogens, lock out tag out, etc.
- Worked with Calumet County Highway Department to paint center lines in heavy traffic district.
- The Fourth of July 5K, Suicide Awareness, Live from Hydro Park, Bike to the Beat tour and other various
 events such as the Christmas Parade, Electric City Experience, a total of 24 special events and
 numerous block parties all required assistance again this year. The majority of our help for these events
 is in the form of traffic control, picnic tables, and refuse receptacles.
- Continue to seek training for preventive measures and removal of City trees affected by the Emerald Ash Borer. City crews removed over 75 infected Ash trees in 2022.
- Continue to plant a variety of species of trees to replace the removed Ash trees, along with other
 declining trees throughout city property. City crews planted 15 trees of different varieties in park and open
 space areas.
- Replaced or rebuilt numerous sanitary and storm sewers on city street
- Implemented the disposal drop off site for city residents
- Collected and hauled 231 truckloads of leaves for a total of 5,775 cubic yards to four local farmers during our annual leaf collection. The leaf collection season was extended for one week to allow residents extra time to clean properties.
- Multiple landscape projects throughout the city.
- Continued to adjust and optimize automated refuse collection and routes.
- Equipment upgrades completed in 2022- Replaced 2011 Chevy 1 ton w/lift gate #7, Replaced Tractor #24, Replaced MSV 105.

2023 BUDGET

DIVISION: TRANSPORTATION
DEPARTMENT: STREET DEPARTMENT ADMINISTRATION

2023 Goals and Objectives

- Continue to provide effective and efficient direction and control of the Street and Park Departments.
- Maintain the city's designation, "Tree City USA" by the National Arbor Day Foundation.
- Provide continuing education opportunities for all Street and Park department personnel.
- Continue emphasizing safety and provide the equipment and tools necessary to achieve a safe working environment.
- Continue working with safety coordinator to provide safe work environments while maintaining optimum efficiency.
- Continue with systematic equipment replacement. Equipment scheduled to be replaced in 2023 is (213) International Work Star 7400 dump truck and add ¾ ton pickup with lift gate to the fleet to help with vehicle needs for street and park staff.
- Continued street sign replacement and inventory.
- Work with Director of Public Works, Planning Director, and Board of Public Works to develop policies and
 ordinance updates to the garbage ordinance to help rectify issues with amounts, placement, and types of
 materials being collected from city residents and business owners.
- Develop and execute plans for upgrades to La Follette Park playground equipment with vendors and multiple city departments while continuing to upgrade and maintain all city parks, athletic fields, and plantings.
- Continue work on Nelson and Konkapot trails to install benches, refuse receptacles, and signage for all trail users.
- Continue planting of various varieties of trees to replace the dead and declining trees throughout the park systems
- Continue professional relationships with the many clubs and organizations that organize events for the youth and citizens of Kaukauna.
- Provide the response of personnel and equipment to all weather emergencies for safe travel throughout the city.

2023 BUDGET

DIVISION: COMMUNITY ENRICHMENT DEPARTMENT: GRIGNON MANSION

MISSION STATEMENT

To preserve and interpret the diverse history of the Grignon family and their impact on the Fox River Valley through programming, interactive learning, and community partnerships.

2022 Goals and Objectives

- Complete exterior repairs.
- Upgrade technology in the third-floor office to support collections management.
- Reestablish relationships with Kaukauna schools, primarily 2nd and 4th grade classes.
- Work with other City departments to create programming.

2022 Accomplishments

- Successfully completed Grignon Mansion exterior renovation.
- Received grant and upgraded technology in the third-floor office.
- Integrated into the Community Enrichment Department.
- Worked with 1000 Islands Environmental Center, Kaukauna Public Library & Recreation Department on offering a Community Event on July 3.
- Implemented a new ticketing software for programs and special events.
- Provided tours to 375 elementary age students and 157 regular season attendees.
- Hosted successful special events:
 - Grignon Mansion Car Show (99 car show entries, 124 Mansion tour attendees)
 - ◆ Civil War Encampment (381 attendees)
 - ♦ Christmas Tours (projected 300 attendees)

2023 Goals and Objectives

- Continue work with 1000 Islands Environmental Center, Kaukauna Public Library and Recreation Department to create joint events and cross-promote programs.
- Create and implement Grignon Mansion membership program.
- Establish new seasonal hours and programming to better utilize staff and volunteer time.
- Rewrite agreement between the Friends of the Grignon Mansion and City of Kaukauna to reflect roles and responsibilities.

2023 BUDGET

DIVISION: COMMUNITY ENRICHMENT DEPARTMENT: LIBRARY

MISSION STATEMENT

Enhance People's Lives and Open Doors for Curious Minds.

2022 Goals and Objectives

- Train staff and public on new discovery layer
- Begin implementing new strategic plan
- Update the policy handbook
- Clean up patron database and physical files
- Implement Capital Improvement Project: Library Safety & Security Upgrade
- Begin needs assessment of current collections
- Continue to work with landlord on lease issues

2022 Accomplishments

- Nominated for the Heart of the Valley Community Partner of the Year Award
- Served 1,418 lunches as part of the Summer Feeding Program
- Completed a Space Needs Assessment with FEH
- Offered Hoopla to our patrons
- Partnered with PCCS on the Stone Soup Project for a second year and had a matching sponsor that provided 50 more meal kits and fresh milk and eggs
- Launched our new Creator in Residence program with support from Bank of Kaukauna
- Used Library System ARPA funds to add sound panels in the Study Rooms
- Awarded competitive marketing grant from DPI
- Awarded UW-Madison Center for East Asian Studies grant
- Awarded IEEE STEAM Kit grant
- Sent staff to a national conference, the first attended by staff in a decade
- Completed Safety & Security upgrade
- Completed staff and patron training on new discovery layer
- Added strategic plan items into the draft budget
- Adopted the City handbook
- Cleaned up physical files and continue to purge old accounts
- Signed the Interactive Learning Garden lease amendment with the landlord and created a third lease amendment
- Continue to work on needs assessment of current collections

2023 Goals and Objectives

- Increase operating hours
- Create a programming survey for the community
- Begin implementing the marketing plan
- Merge the KPL Foundation with the Friends of the KPL
- Implement a new hire onboarding manual/training program

DIVISION: COMMUNITY ENRICHMENT DEPARTMENT: SWIMMING POOL

MISSION STATEMENT

To provide aquatic programs including open swim, swim lessons, water aerobics, lap swimming, and swimming pool rentals to residents of the City of Kaukauna. To provide all necessary support staff for the safety of programs and facility usage.

2022 Goals and Objectives

- Raise Private Funds for Pool Project
- Complete Design/Construction Documents for Pool Project

2022 Accomplishments

- Increased annual attendance by almost 5,000 participants
- Increase in staff wages based on comps from surrounding communities
- · Delivered cost effective recreational programs and opportunities
- Collaborated with Brillion Aquatic Center and KSD on offering programs/certifications

2023 Goals and Objectives

- Complete Design/Construction Documents for Pool Project
- Achieve or exceed \$1,000,000 goal for the Capital Campaign
- Implement new software at the existing pool
- · Recommend fee changes for Aquatic Center

DIVISION: COMMUNITY ENRICHMENT DEPARTMENT: YOUTH PROGRAMS

MISSION STATEMENT

To provide the youth of the City of Kaukauna with a broad range of programs to include a variety of sports programs, i.e. softball, soccer, T-ball, Rec-Ball, wrestling, flag football, baseball, and gymnastics. Provide all necessary staff for safe and adequate supervision of various programs and activities being offered. Provide staff for Safety Town and Kidz Academy programs.

2022 Goals and Objectives

- Grow opportunities for new programs
- Propose new program fee structure

2022 Accomplishments

- Grow opportunities for new programs.
 - Added Red Cross Babysitting Course, Stay Home Alone Class, Scavenger Hunt Series, Girls on the Run, partnered with Eagle Links for Junior Golf, partnered with Combined Locks for Girls Softball (multiple teams)
- Propose new program fee structure
 - Evaluated all recreation program fees and for each program

2023 Goals and Objectives

- Grow opportunities for new programs
- Develop community partnerships to increase programs, services and volunteerism
- Evaluate low attendance programs
- New fee structure in place for next program guides

2023 BUDGET

DIVISION: PARKS
DEPARTMENT: 1000 ISLANDS ENVIRONMENTAL CENTER

MISSION STATEMENT

To provide children, adults and families the knowledge and skills needed to build a sustainable balance among the environment, economy and community through education, conservation and recreation.

2022 Accomplishments

Education

- We have continued our community educational events with Eagle Days and added a brand-new event this fall, Focus of the Fox, with a great result.
- Increase in in-person usage numbers since COVID restrictions with 8,267 program/rental participants in the first 3 quarters.

Conservation

- Continued coordination of the Fox Valley Bald Eagle Nest Watch, a citizen science program designed to monitor success rates of area bald eagle nests.
- Conservancy Zone Management has continued with the fall and spring goat browsing sessions. We have also made big strides to increasing our native plant species through seeding and planting by the Nature Center, Prairie Garden and surrounding areas.

Recreation

- Replacement of steps between the river trails and Upper Woods portion of the Conservancy Zone
- The removal of infested ash trees, grinding stumps and new tree plantings in the picnic area was done through collaboration with the Street Department for a safer recreational space.

2023 Goals and Objectives

Education

- Increase collaborative programming with Kaukauna Public Library, Grignon Mansion, and Recreation Department with two new community programs
- Increase usage numbers by 10% through more programming and increased attendance at programs.

Conservation

- Expand our invasive species management into new areas of the Conservancy Zone.
- Add an additional citizen science monitoring program such as water quality monitoring.

Recreation

- Replace boardwalk trails along the river
- Continued trail improvements throughout the Conservancy Zone, especially in better trail establishment and wayfinding in the Upper Woods.

| INDICATOR | AS OF 12/31/20* | AS OF 12/31/21** | AS OF 9/30/22 |
|----------------|-----------------|------------------|---------------|
| Schools | 718 | 3,251 | 3,064 |
| Groups | 351 | 461 | 1,183 |
| General public | 2,082 | 5,992 | 4,020 |
| Total Usage | 3,151 | 9,704 | 8,267 |

Usage numbers include field trips, public programs and rentals. General visitors to the building or property are not reflected in these totals.

^{*}Nature Center closed to the public starting March 17, 2020 in response to COVID-19. This closure affected usage numbers in all categories.

^{**}Due to the pandemic, many program options were virtual in 2021. Usage numbers were based on number of online views.

2023 BUDGET STORM WATER UTILITY SUMMARY

The City of Kaukauna created a Storm Water Utility in July 2009 to facilitate compliance with various State and Federal regulations regarding the quality of storm water runoff and discharges. Since its inception, the storm water utility is starting to mature with growing infrastructure and capital assets. The city is continuously monitoring the financial metrics such as operating expense, depreciation, and debt coverage ratio all while meeting the state and federal regulations.

The Storm water Utility is primarily funded by user fees in the form of an Equivalent Runoff Unit (ERU) Rate. An ERU is the average impervious area of a single family home. Impervious area refers to any surface that does not allow the natural infiltration of water into the soil (examples include roofs, patios, driveways, sidewalks, and pavement.). A Storm water utility fee is assessed for each ERU that a non-residential property possesses. The ERU rate is budgeted to increase \$1.00 per ERU at \$108/ERU/year effective January 1, 2023 and increase \$0.75 per ERU at \$117/ERU/year effective July 1, 2023 making a total increase of \$1.75 per ERU for the 2023 budget.

Non-residential properties that have more property than an average residential home is charged one ERU for every 2,944 sq. feet of impervious area of that property. The ERU is charged monthly. Each residential property is charge one ERU per year. The monthly charge per home is \$9.00/month effective January 1, 2023 and \$9.75/month effective July 1, 2023

In 2019, City Finance changed the way debt is being managed within this utility fund. Rather than having a few smaller bond issues, the city began borrowing 3 years of project costs at one time. This will save on issuance costs and to help better manage the debt coverage ratio. With the larger borrowing, it makes it easier to manage the annual bond payments and monitor the ERU rate to ensure the rate is adequate to the expenses of the Utility fund.

2023 BUDGETSANITARY SEWER UTILITY SUMMARY

The City of Kaukauna created a Sanitary Sewer Utility beginning in 2012 to more accurately account for activities associated with sewerage collection and treatment, to establish a more accurate user charge rate and to allow for the issuance of revenue bonds to finance utility projects. The current rate is \$7.00 per cubic feet. This rate was reviewed and changed in 2022 and is anticipated to change for 2023 budget to \$8.00 per 100 cubic feet effective January 1, 2023 and change to \$8.75 per 100 cubic feet effective July 1, 2023 making a total increase of \$1.75.

In 2019, City Finance changed the way debt is being managed within this utility fund. Rather than having a few smaller bond issues, the city began borrowing 3 years of projects at one time to save on issuance costs and to help better manage the debt coverage ratio. With the larger borrowing, it makes it easier to manage the annual bond payments and monitor the user fee rate to ensure the rate is adequate to the expenses of the Utility fund.

RESOLUTION NO. 2022-5363

RESOLUTION DESIGNATING APPROPRIATIONS AND LEVYING A TAX FOR THE 2023 BUDGET OF THE CITY OF KAUKAUNA

BE IT HEREBY RESOLVED, by the City Council of the City of Kaukauna, Wisconsin, that there hereby be appropriated out of the receipts of the City of Kaukauna for the year 2023, including monies received from the general property tax levy, as described in attached budget schedules for General Fund, 1000 Islands Environmental Center, Debt Service Fund, Grignon Mansion Fund, Special Assessment / Debt Stabilization Fund, Sanitary Sewer Utility Fund and Storm Water Utility Fund the amounts shown in said attached Schedules.

BE IT FURTHER RESOLVED, that the following be and is hereby declared the tax levy for 2022, collected in 2023, upon all taxable property within the City of Kaukauna as returned by the Assessor in the year 2022, for the uses and purposes as set forth in said budget, and that all taxing officers of the City are hereby authorized and directed to spread the tax upon the current tax roll of the City of Kaukauna.

- 1. There is levied upon the taxable property of the City of Kaukauna for the General Fund, the sum of \$7,562,310.
- 2. There is levied upon the taxable property of the City of Kaukauna for the 1000 Islands Environmental Center, the sum of \$0.
- 3. There is levied upon the taxable property of the City of Kaukauna for debt service, all bonds and notes legally required, the sum of \$4,222,817.
- 4. There is levied upon the taxable property of the City of Kaukauna for Grignon Mansion, the sum of \$0.
- 5. There is levied upon the taxable property of the City of Kaukauna for Nelson Crossing, the sum of \$3,500.
- 6. There is levied upon the taxable property of the City of Kaukauna for the Park & Pool Capital Improvement Fund, the sum of \$500,000.

Introduced and adopted this the 15th day of November, 2022

APPROVED:

APPENDIX C

GLOSSARY

ACCOUNTING SYSTEM: The methods and records established to identify, assemble, analyze, classify, record and report the City's transactions and to maintain accountability for the related assets and liabilities.

ACCRUAL BASIS: The recording of the City's transactions that have cash consequences in the period in which those transaction occur rather than in the period in which cash is received or paid by the City.

AGENCY FUND: A fund normally used to account for assets held by the City as an agent for individuals, private organizations or other governments.

APPROPRIATION: A legal authorization granted by the City Council to make expenditures and to incur obligations for specific purposes. An appropriation is usually limited in amount and time it may be expended.

ASSESS: To establish an official property value for taxation.

ASSESSED TAX RATE: The amount of property tax paid by property owners for each \$1,000 of their assessed property value. This rate is computed by dividing the total amount of the tax levies by the total assessed value of the City.

ASSESSED VALUATION: A valuation set upon real estate or other property by the assessor for the City as a basis for levying taxes.

BASIS OF ACCOUNTING: A term used to refer to when revenues, expenditures, expenses, and transfers are recognized in the accounts and reported in the financial statements.

BOND: A written promise to pay a specified sum of money (called the face value or principal amount), at a specified date or dates in the future (called the maturity date), together with periodic interest at a specified rate.

BUDGET: A plan of financial operation embodying an estimate of proposed expenditures for a given period and the proposed means of financing them.

BUDGET MESSAGE: A general discussion of the Mayor's proposed budget as presented in writing to the City Council. The budget message should contain an explanation of the principal budget items, an outline of the City's experience during the past year, and its financial status at the time of the message and recommendations regarding the financial policy for the coming year.

CAPITAL BUDGET: A plan of proposed capital outlays and the means of financing them.

CAPITAL PROJECTS FUND: A fund created to account for financial resources to be used for the acquisition or construction of major capital facilities.

CONTINGENCY: An appropriation of funds to cover unforeseen events that occur during the budget year. The City Council must approve all contingency expenditures.

DEBT SERVICE FUND: A fund established to account for the accumulation of resources for and the payment of general long-term debt principal and interest.

DEFICIT: The excess of the liabilities of a fund over its assets. The excess of expenditures over revenues during an accounting period.

APPENDIX C

GLOSSARY

ENCUMBRANCES: The amount of expenditures ultimately to result if unperformed contracts in process are completed.

EQUALIZED TAX RATE: This rate is the computed by dividing the total amount of taxes levied by the total equalized value of the City including tax incremental districts. This rate is the basis for comparing tax rates of various taxing authorities.

EQUALIZED VALUATION: The fair market value of all property in the City as established by the Wisconsin Department of Revenue. This value is used to apportion levies amongst overlapping taxing authorities.

EXPENDITURES: Decreases in net financial resources, including current operating expenses, debt service and capital outlays.

FISCAL YEAR: A 12-month period to which the annual operating budget applies and at the end of which the City determines its financial position and the results of its operations. The fiscal year begins January 1 and ends December 31.

FULL FAITH AND CREDIT: A pledge of the general taxing power for the payment of debt obligations. Bonds carrying such pledges are referred to as general obligation bonds.

FUND: A fiscal and accounting entity with a self-balancing set of accounts in which cash and other resources together with all liabilities and residual equities are segregated to carry on specific activities or attain specific goals.

FUND BALANCE: The difference between fund assets and fund liabilities.

GENERAL FUND: The fund used to account for all financial resources except those required to be accounted for in another fund.

GRANTS: Contributions or gifts of cash or other assets from another government to be used or expended for a specified purpose, activity or facility.

LEVY: To impose taxes, special assessments or service charges for support of governmental activities.

MODIFIED ACCRUAL BASIS OF ACCOUNTING: Revenues and other financial resources are recognized when they are both measurable and available. Expenditures are recognized when the liability is incurred.

OPERATING TRANSFERS: All inter-fund transfers other than residual equity transfers (e.g. legally authorized transfers from a fund receiving revenue to the fund through which the resources are to be expended).

RESERVED FUND BALANCE: Those portions of fund balance that are not appropriable for expenditures or that are legally segregated for a specific future use.

RESIDUAL EQUITY TRANSFERS: Non-routine transfers of equity between funds

REVENUES: Increases in the net current assets of the City from other than expenditure refunds and residual equity transfers. Used to the finance the services provided by the City.

SHARED REVENUES: Revenues levied by one government but shared on a predetermined basis, often in proportion to the amount collected at the local level.

APPENDIX C

GLOSSARY

SPECIAL ASSESSMENT: A compulsory levy made against certain properties to defray all or part of the cost of a specific capital improvement or service that benefits primarily those properties.

SPECIAL REVENUE FUND: A fund used to account for the proceeds of specific revenue sources that are legally restricted to expenditure for specified purposes.

TAXES: Compulsory charges levied by the City to finance services performed for the common benefit.

TRUST FUND: Funds used to account for the assets held by the City in a trustee capacity for other governments, funds and individuals.
