REGISTRATION

CONFIRMATION POLICY

Due to the high volume of registrations, we do not send out confirmation of registration. We will only contact you in the case of a problem (cancellation, payment inaccuracy, program is full, etc.) You are welcome to call to confirm your registration.

WANTED: NEW PROGRAMS

We are always looking for new programs that may be exciting to people of any age and utilize the resources available in our community (people and facilities).

If you have a hobby, interest, expertise or special talent, and you would like to offer a program through us please contact 920-766-6335. We will sit down with you and work through all of the details necessary to create your new program including facilities, equipment, costs, revenues, and staffing.

We also welcome your suggestions for new programs and will research the feasibility of offering a related program.

Information - Financial Assistance

LIONS & LIONESS

FINANCIAL ASSISTANCE PROGRAMS

The City of Kaukauna believes that all citizens should have the opportunity to participate in Recreation Department sponsored programs regardless of financial status. The Recreation Department has partnered with the Kaukauna Lions and Lioness Clubs to offer financial assistance to those in need.

Eligibility: This program is for children ages 16 and under, whose primary residence is in the City of Kaukauna. Family household income must be below this year's US Department of Health and Human Services Poverty Guideline for the number of family members in the household. The Poverty Guidelines can be found on the HHS website at: <http://www.hhs.gov>. Eligibility will be determined on a case-by-case basis by the Recreation Department.

Limitations: A limited amount of donated funds are available each year.

Assistance is limited to \$25.00/individual and/or \$25.00/family. During spring and summer an additional \$25.00 may be awarded for a pool pass only.

Application: Applications must be submitted to the Recreation Department Office at least two weeks prior to the program deadline or program start whichever comes earlier.

YEL! Coding Animation and Video Games

For students entering 3rd-6th grade!

Each YEL! Coding class follows three basic components: Teach It!: Students learn different video game and storytelling design techniques (movement blocks, control blocks, basic animation, adding scores, etc.).

Code It!: Students use Scratch® to code their own story and video games.

Explore It!: Students can write their own story and video game code, experiment with it and test new options.

Our collaborative learning environment encourages students to learn from each other.

Scratch® is an MIT created and monitored, kid-safe web interface. It uses a drag and drop programming interface to teach students of all levels coding practices.

YEL! Robotics: Scout 'Bots

For 1st-5th grade!

Build and code space rovers to scout out Mars, the moon, and other extraterrestrial environments. Also, create a dragster and volcano alarm to learn basic computer programming while having fun! Let's go!

YEL! Project Runway

For students entering 4th-8th grade!

Sweet summer projects! A comfy shorts, a water bottle bag, crisscross headband and more. No experience necessary. Students will make, showcase, and take home all their projects. Hand and machine sewing techniques are taught with SAFETY FIRST always in mind. The final day is a showcase where friends and family are invited to see the projects in action.

YEL! Destination Mars: Rocketry Course

For students entering 2nd-5th grade!

Launch and watch your very own rocket speed 300 feet into the air! Then it is yours to take home! Students will make and take home multiple rockets of varying difficulty throughout this session. We will use these rockets and airplanes to investigate basic aeronautical concepts including: propulsion, thrust, lift, drag and more. We will also hypothesize about travel in outer space, how to get a United States astronaut to Mars and life on Mars.

*Parents will be asked to contribute two, 2 liter soda bottles (empty) for 2 different experiments. Fee includes \$25 materials fee.

CLASS DESCRIPTIONS

INTRO TO BALLET

Introduces ages 2-3 to basic ballet movements, music, rhythm and coordination in a fun learning class environment.

BALLET

The perfect class for the ballerina in you! This class lays the foundation for proper dance technique and includes: ballet basics, proper positions, beginning combinations, beginning turns, barre technique and more! Dancers will gain confidence in movement, strengthen their body, and improve posture and balance.

INTRO TO BALLET & TAP

This ballet & tap combo class will introduce your little dancer to the fundamentals of dance. Dancers will learn basic positions and steps while also enhancing their balance and coordination. They will be encouraged to practice self expression through music and movement in fun and exciting ways.

DANCE STRENGTH & FLEXIBILITY

Dance conditioning class focuses on strengthening, toning, and stretching the body. The goal is to provide exercises for the development of a dancer's endurance, strength, flexibility, and coordination.

HIP HOP

For all those who love to move! This energetic class explores funky and exciting hip hop steps & beginning dance combinations. Dancers will enjoy learning a fun street style that they can do to their favorite pop hits.

JAZZ

A popular choice! Dancers will explore moves that incorporate musical interpretation, synchronization, and technical steps. This style dance allows dancers to really express their personality!

LYRICAL

A ballet based style of dance that concentrates on the emotions and feelings of a song. Choreography is often slower and controlled while utilizing muscles and isolations. Pre-requisite: Dancers must have at least one year of ballet instruction within the past three years.

TOT TUMBLING

Tots will have fun learning how to tumble and roll, dance and express themselves with movement & music.

KICKS & LEAPS TECHNIQUES

Dancers will learn kick technique, different types of kicks and leaps, stretching and strengthening. The importance of proper kick technique will help dancers build a great foundation for all of their dance skills.

INTRO TO POM

Introduces an opportunity for beginner & intermediate pom dancers to learn basic pom techniques: sharp arms, cinnamon rolls, high V, low V & more!

POM TECHNIQUE

This class is a great opportunity for beginner & intermediate pom dancers. Learn basic pom techniques: sharp arms, cinnamon rolls, high V, low V & more!
